"I decided on a Friday afternoon that I was going to make the trip and caught a flight Saturday afternoon direct from IAH to ANC (Anchorage). Luckily with the late sunsets this time of year, I had another five hours of daylight to walk around and explore downtown with the amazing weather in the low 60s. The best food I had was probably the reindeer sausage, which you can find in hot dog carts all around town."

Phil Thekkekara FP&A Sr. Analyst

"The symphony of sounds of nature there were incredible. The sounds of the howler monkeys were amazing. We also stayed at a dome tent in the Miramar area which was a unique experience. Great views from high above in a jungle setting. We continued to the Arenal area and stayed at the Arenal Lodge with amazing views of the Arenal volcano, which last erupted in 2010."

"I feel blessed to work for United and for connecting us to UNESCO world heritage sites, such as Machu Picchu, and to a myriad of places around the world with our expansive network. It's so fun to see llamas, alpacas, sample different cuisines on this trip and learn all about history at the same time. The world is truly our oyster and I am grateful for the work perks that we have in making this dream of mine a reality."
