This guide describes many of the features of Hallmark's benefits in general terms. The specific terms and conditions of these benefits are governed by summary plan descriptions, insurance certificates, and service agreements. In the event of a conflict or ambiguity regarding the information represented in this document, the plan documents, certificates and agreements will govern.

Visit the intranet to find summary plan descriptions (SPDs) and insurance certificates. To request a hard copy of any of these documents, call the HR Service Center at 816-545-6200 or 1-888-545-6200 or email HRservicecenter@hallmark.com. Hallmark is legally required to provide plan participants these detailed descriptions of our benefits plans.

Hallmark will continue to evaluate medical and other benefits on a regular basis and will make changes in light of changing circumstances, such as increased costs and changes in national health care policy. Hallmark reserves the right to amend, modify or discontinue medical and other benefit plans.

choosing your plan

TRADITIONAL

Higher premiums with lower deductibles, lower out-of-pocket max, flat-fee retail prescription rates.

HIGH-DEDUCTIBLE

Lower premiums with higher deductibles, higher out-of-pocket max balanced with a tax-saving HSA option—which includes an employer HSA contribution* (\$250 for employee only/\$500 for employee plus dependents).

Both plans offer the same coverage. Cost is the main difference, both for the premiums you pay from your paycheck and the amount you pay at point of service or prescription purchase. Another key difference is that an employer HSA contribution is available to High-Deductible plan participants who are making active contributions to their HSA.

Regardless of the plan you choose, both include:

- Premiums that are subsidized by Hallmark.
- Nationwide network coverage.
- Easily-identifiable **Tier 1 Providers**  recognized for meeting national standards for quality care and cost; use of these providers costs you less!
- No deductible or coinsurance for preventive care services received from in-network providers (exams, screenings, immunizations and more).
- Coverage for hospital care, surgeons' and physicians' fees, diagnostic services, prescriptions drugs and other medical services.
- Reimbursement for a percentage of covered expenses after the annual deductible is met.
- Protection from catastrophic expenses (once you hit the out-of-pocket max, the plan covers 100% of covered expenses for the remainder of the plan year)
- Opportunity to earn Hallmark Health Rewards incentives.**

**To be eligible for the employer HSA contribution, you must designate an amount to contribute to your HSA during annual enrollment (minimum of \$24 per year) AND be contributing to that HSA throughout the plan year.*

***Available to those enrolled in Hallmark medical benefits; if you cover your spouse, only the primary insurance cardholder can receive wellness contributions.*

your premiums

To give you choice when selecting your medical plan, Hallmark offers two comprehensive plans—Traditional and High-Deductible.

The price you pay for your plan (your premium) is based on the coverage option you choose and who you cover on your plan.

Premiums are available in this guide and on hallmark.benefitsnow.com during active enrollment periods—annual enrollment, new hire enrollment or following a qualifying life event.

medical premiums

deductibles and out-of-pocket maximums

Your Deductible is what you pay out of your own pocket before your insurance begins to share costs. You pay the “negotiated” costs of all in-network services until you meet your deductible.

Your Out-of-Pocket Maximum is the most you and your covered family members have to pay in a year for health care costs.

plan options: a deeper look

	HIGH-DEDUCTIBLE	TRADITIONAL

Out-of-pocket Maximum	\$5,600 employee only; \$11,200 family	\$3,600 employee only; \$7,200 family
<p>Hallmark medical plans use Embedded deductibles and out-of-pocket maximums. For employee and dependent coverage, once one family member meets the employee-only deductible or out-of-pocket max, insurance will pay benefits for that family member. Two or more covered members must incur claims to satisfy the family deductible and out-of-pocket max.</p>

	You pay 100% until you reach your deductible.	

Learn more about coverage options at welcometouhc.com/hallmark

- Out-of-network providers will increase your cost; out-of-network charges also don't apply toward your in-network deductible or out-of-pocket maximum.
- Certain medical services require pre-approval to ensure you know what's covered in advance. If something requires prior review and you don't get pre-approved, you may be required to pay most or all of the bill. **Tier 1 Providers**  and all In-network providers will assist with pre-approval processes.

your prescriptions

Check how UHC covers your prescriptions anytime at myuhc.com. To receive your pharmacy benefits, simply present your medical insurance card at the in-network pharmacy of your choice.

your lab work

Lab work is paid at the same level as other covered services.

- If a lab test is part of a preventive service from an in-network provider, the cost is paid in full.
- If a lab test is part of a diagnostic service, your coinsurance and deductible will apply.

Don't forget to enroll in an HSA or FSA to save on your out-of-pocket healthcare costs. If you are enrolled in the High-Deductible medical plan and actively contributing to an HSA, Hallmark will make a contribution to your HSA to help with your medical costs. You can also enroll in an FSA to save on dependent care costs!

Hallmark Health Rewards program

If you are enrolled as the primary cardholder in a Hallmark medical plan, take advantage of the Hallmark Health Rewards program and get rewarded for maintaining or improving your health and well-being. Through the Hallmark Health Rewards program, you can earn up to \$400 each year. That can be:

If you elect an HSA contribution amount during annual enrollment, your rewards will be deposited into your HSA. If you do not, your incentives can be redeemed toward a gift card.*

Earn points on a quarterly basis when you do any of the following:**

- Participate in team and personal health challenges
- Complete an on-line health assessment
- Have an annual checkup with your physician
- Participate in wellness screenings
- Maintain a healthy BMI
- Participate in qualifying educational activities or workshops
- Achieve a healthy blood pressure
- Have an annual checkup with your dentist
- Participate in telephonic coaching sessions

All health information you track is completely confidential. Dependents and retirees are not eligible.

healthrewards.hallmark.com:

The Hallmark Health Rewards program runs annually from **Dec 1-Nov 30**.

**Wellness dollars deposited into your HSA will count toward your HSA contribution limit set by the IRS. Please reference the HSA page in this guide for current IRS limits and adjust your annual contribution if necessary.*

***Points are awarded the last days of March, June, September and November if you have completed your online health assessment.*

hallmark wellness

Onsite medical services

The medical departments at headquarters and some outlying locations offer you screenings and services with registered nurses to evaluate illnesses, monitor health conditions, conduct health education and provide preventive screenings.

Health education

Hallmark offers monthly digital lunch and learns and e-newsletters covering a variety of valuable health tips.

Smoking Cessation

If you're interested in learning about your support options to quit smoking, contact UnitedHealthcare to see what's covered by your plan. You also have access to online resources through ComPsych.

Help when facing serious illness

Hallmark partners with the Center for Practical Bioethics to offer free, confidential advice, counseling and advocacy when you or a dependent are grappling with a difficult diagnosis or terminal illness. Learn more about the CARE (Coaching, Advocacy, Relevant Information and Education) program by calling a CARE consultant at the Center for Practical Bioethics, **816-221-1100**.

Fitness

Discounts are available for fitness facilities nationwide. Crown Center Fitness located at 2480 Pershing in the headquarters complex also provides access to exercise equipment and fitness classes including aerobics, Pilates and yoga. It is available to you on a month-to-month basis at a discounted rate.

Employee assistance program

The employee assistance program offers you 24/7 access to information, resources and support to assist you in addressing everyday work or life issues. Whether you're in need of resources or referrals for items on your personal to-do list or you want to speak with a trained clinician about relationship or psychological concerns, ComPsych can help.

Living organ and bone marrow donation grant

A Living Organ and Bone Marrow grant is available to eligible employees who choose to provide life-changing organ or bone marrow donations. This grant will help pay for related expenses—like transportation, lodging and food—that may not be covered by insurance.

short-term disability

The Hallmark short-term disability (STD) benefit* ensures up to 60% of your base pay continues for up to 90 days if you are unable to work for an extended period of time because of a non-work related illness or injury that can't be reasonably accommodated in the workplace.

Certain conditions must be met to receive short-term disability and the Hallmark medical department determines whether an absence qualifies. Qualifying absences continuing beyond the STD benefit period may be considered under the Hallmark long-term disability plan.

LENGTH OF EMPLOYMENT	REQUIRED PTO WAIT PERIOD	MAXIMUM BENEFIT PERIOD**
90 days	1 continuous calendar week	up to 90 days

***Maximum benefit period is for a rolling 12 months.*

additional information:

- Short-term disability runs concurrently with FMLA approved leaves.
- You will continue to accrue paid time off (PTO).
- Medical, dental and vision benefits continue during your short-term disability period, but you will be required to directly pay premiums not covered from your paycheck.

**For full-time employees who are scheduled to work 30+ hours a week.*

To learn more about Hallmark's short-term disability benefit, review the **short-term disability policy (302)** on the intranet.

long-term disability

The long-term disability (LTD) benefit program* provides you with income if you become unable to work due to disability from illness or injury.

To be eligible for long-term disability coverage, you must have completed one year of active service (excluding any paid or unpaid leave such as short-term disability or voluntary time off). Eligibility for LTD benefits begins after completing the 90 day elimination period of continuous disability.

Cigna will determine whether an illness or injury qualifies for long-term disability benefits. To receive LTD benefits, you must remain under the regular and continuing care of a qualified physician and comply with an appropriate medical treatment plan. LTD benefits will not be paid if you are working for pay or profit.

Long-term disability: a closer look

If you qualify for LTD, the monthly benefit payable under the LTD benefit program will be the lesser of 60% of monthly earnings as of the last day worked prior to LTD benefit eligibility or the maximum \$7,000 a month.

After 24 months, the monthly benefit payable is the gross disability benefit reduced by other income benefits and 50% of disability earnings.

Medical, dental and vision benefits continue to be offered while on temporary LTD. If you are enrolled in Hallmark's vision plan, your vision premiums will be deducted from your LTD payments.

COBRA may apply at the end of the temporary LTD period.

**For full-time employees who are scheduled to work 30+ hours a week.*

For more information about Hallmark's long-term disability benefit, review the **Health Plans Summary Plan Description for Hallmark employees** on the intranet.

PRO TIP

Employees traveling on international business have access to health care around the world through Cigna’s **Medical Benefits Abroad program**.

your finances

tax-savings plans overview

Hallmark's Health Savings Account (HSA) and Flexible Spending Account (FSA) programs can help you save money by allowing you to pay for out-of-pocket health and dependent day care expenses with pre-tax dollars.

Health Savings Account (hallmark.benefitsnow.com to enroll)

The HSA is used to set aside pre-tax dollars* to pay for qualified health care expenses, like your medical, dental and vision copays, deductibles and coinsurance.

If you are enrolled in the High-Deductible plan, you have the option to contribute to a HSA, which is a great way to balance the higher deductibles in your plan and experience more flexibility in managing

your health costs. You can enroll or change your HSA contribution at anytime but if you want to receive Hallmark's contribution to your HSA, there are additional steps for you to take, outlined below.

Employer HSA Contribution

As an added benefit, Hallmark will make a contribution to eligible HSA accounts-\$250 for employee only/\$500 for employee plus dependents.

To receive this contribution, you must have an open HSA account, designate an amount to contribute to that HSA during annual enrollment (minimum of \$24 per year) and regularly contribute throughout the year.

Hallmark's contribution will be deposited into eligible HSA accounts in two equal installments and will be reflected in the account by the end of February and August.

Flexible Spending Account (HR Direct to enroll)

Hallmark's Flexible Spending Account (FSA) allows you to set aside pre-tax dollars to pay for out-of-pocket health expenses and/or dependent day care expenses. To participate in Flex, you must set a new contribution rate during annual enrollment.

Reimbursable out-of-pocket health care expenses include most expenses not covered by the medical and dental programs.

(including expenses for daycare centers, nursery schools and babysitters, etc.)

You can also set aside up to \$5,000 annually per family to pay for dependent day care

For additional details regarding qualified FSA expenses, contact Your Spending Account, at **1-844-231-3475**.

Limited-Purpose FSA

If you enroll in High-Deductible Medical coverage and choose to set up an FSA account for health expenses, the pre-tax dollars you contribute will be limited to eligible dental and vision expenses only, whether or not you enroll in an HSA.

**If you live in CA or NJ, taxability of your HSA contributions may differ, so consider checking in with your tax adviser if you have questions.*

PRO TIP 

If you are 55 or older during the plan year, you can contribute up to **\$1,000** in additional “catch-up” contributions to your HSA.

When you accept FSA reimbursements, you give up the opportunity to take a health care tax deduction or receive a dependent care tax credit for the same expenses on your federal tax return.

medicare notice

Please read this notice carefully and keep it where you can find it.

This notice has information about your current prescription drug coverage with Hallmark Cards, Inc. and about your options under Medicare's prescription drug coverage.

This information can help you decide whether or not you want to join a Medicare drug plan.

If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

medicare + prescription drug coverage

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Hallmark Cards, Inc. has determined that the prescription drug coverage offered by Hallmark Cards, Inc. is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

when can you join a medicare drug plan?

You can join a Medicare drug plan when you first become eligible

for Medicare and each year from Oct. 15th to Dec. 7th. However, if you lose your current creditable prescription drug coverage through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

what happens to your current coverage if you decide to join a medicare drug plan?

If you decide to join a Medicare drug plan, your current Hallmark Cards, Inc. coverage will not be affected unless you notify Hallmark that you would like to drop your coverage for you and all covered dependents. If you do decide to join a Medicare drug plan and drop your current Hallmark Cards, Inc. coverage, be aware that you and your dependents will not be able to get this coverage back until annual open enrollment next year.

when will you pay a higher premium (penalty) to join a medicare drug plan?

You should also know that if you drop or lose your current coverage with Hallmark Cards, Inc. and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

for more information about this notice or your current prescription drug coverage:

Contact Hallmark HR Service Center at **816-545-6200** or **1-888-545-6200**. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan and if this coverage through Hallmark Cards, Inc. changes. You also may request a copy of this notice at any time.

for more information about your options under medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage, visit www.medicare.gov. Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help. Call **1-800-MEDICARE (1-800-633-4227)**. TTY users should call **1-877-486-2048**. If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov or call them at **1-800-772-1213** (TTY 1-800-325-0778).

remember: keep this creditable coverage notice.

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained Creditable Coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
