

[Change Healthcare COVID-19 Updates & Resources >>](#)

As always, but especially during the COVID-19 outbreak, Change Healthcare is committed to the safety and security of our employees, their families, and our communities. We have implemented remote work for most of our workforce through at least July 16, 2021, expanded our benefits to aid affected team members and their dependents, and launched an internal portal for ongoing communications related to COVID-19.

Similarly, we are also working to keep our applicants safe throughout the interview and hiring process as we continue to pursue essential roles. As such, Change Healthcare has limited travel and implemented virtual/video interview and onboarding process to align with best practices in safety.

Why Change Healthcare?

At Change Healthcare, you'll find an environment that thrives on collaboration and inspires curiosity – a place where you can challenge norms and drive technological innovation. Join our team and transform healthcare.

Our Culture

Our culture is built on the knowledge that great ideas can come from anywhere, and valuing unique perspectives will lead to innovation. By celebrating diversity and fostering an inclusive environment, we enrich our employee experience, broaden our thinking, and increase our ability to innovate and grow in an ever-changing world.

Meet Our Leadership Team

“When we think about leaders we just don't mean people at certai because anybody can be a leader every day.”

Neil de Crescenzo
CEO

Learning and Development

We've created a culture of learning, ensuring you have the tools, training, and resources you need to support your ongoing growth and development. From our corporate university experience to multi-modal learning opportunities, you'll

be able to identify your goals, acquire new skills, and build a career development plan that inspires your future.

Change Healthcare University (CHU) is an enterprise learning platform that offers permanent employees the opportunity to grow by expanding their knowledge, skills, and capabilities. CHU provides access to more than 5,000 training assets, including 150 programs/curricula and learning pathways; 4,500 web-based training objects, videos; and online books; and more.

CHU provides employees with a superior learning experience, supported by a modern learning platform capable of meeting the needs of the future workforce, quickly adapting to new situations, demonstrating resilience, acting with agility, and ensuring our continued success.

Change Healthcare University provides several features:

- Blended learning
- Artificial Intelligence
- Social learning
- Personalized learning experience
- Certification and retraining
- Knowledge sharing functionality
- Skills and competency mapping
- Access from any mobile device
- Gamification with badges and leaderboards
- Career development & planning

Corporate and Community Giving

The opportunity to help improve a person's life propels us forward. And having employees across the globe dedicated to providing support and care helps us ensure we stay true to our vision of inspiring a better healthcare system.

MENU ≡

Corporate Responsibility

Change Healthcare is committed to actively supporting the communities we serve through programs that focus on people, resources, and technology. Together, we are accelerating the journey toward improved lives and healthier communities.

Our strategic community investment focuses on three key areas:

Health and Human Services

Cookie List

A cookie is a small piece of data (text file) that a website – when visited by a user – asks your browser to store on your device in order to remember information about you, such as your language preference or login information. Those cookies are set by us and called first-party cookies. We also use third-party cookies – which are cookies from a domain different than the domain of the website you are visiting – for our advertising and marketing efforts. More specifically, we use cookies and other tracking technologies for the following purposes:

Strictly Necessary Cookies

These cookies are necessary for the website to function and cannot be switched off in our systems. They are usually only set in response to actions made by you which amount to a request for services, such as setting your privacy preferences, logging in or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the site will not then work.

Cookies used

- [OptanonConsent](#)
- [OptanonAlertBoxClosed](#)

Performance Cookies

These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us to know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies we will not know when you have visited our site, and will not be able to monitor its performance.
