You can learn about the many benefits and excellent opportunities we offer here.*

*depending on location, activity and/or contract

many personal benefits. Several of these speak for themselves, but others we would like to briefly present for you. All of them enable you to reconcile work and private life as well as possible.

35 hours per week

30 + 2 days paid holiday leave

Mobile working

Flexible working hours

Attractive remuneration

Support programmes & Specialist scholarships

support you with a specialist scholarship if you pursue advanced training externally.

Company pension scheme

We offer you a comprehensive company pension scheme with the basic benefit provision, participation pension I and participation pension II. This means that your future is assured with pension modules made up of your basic benefit provision, as well as the monthly

pension expenses we grant full-time employees and deferred compensation on your own initiative.

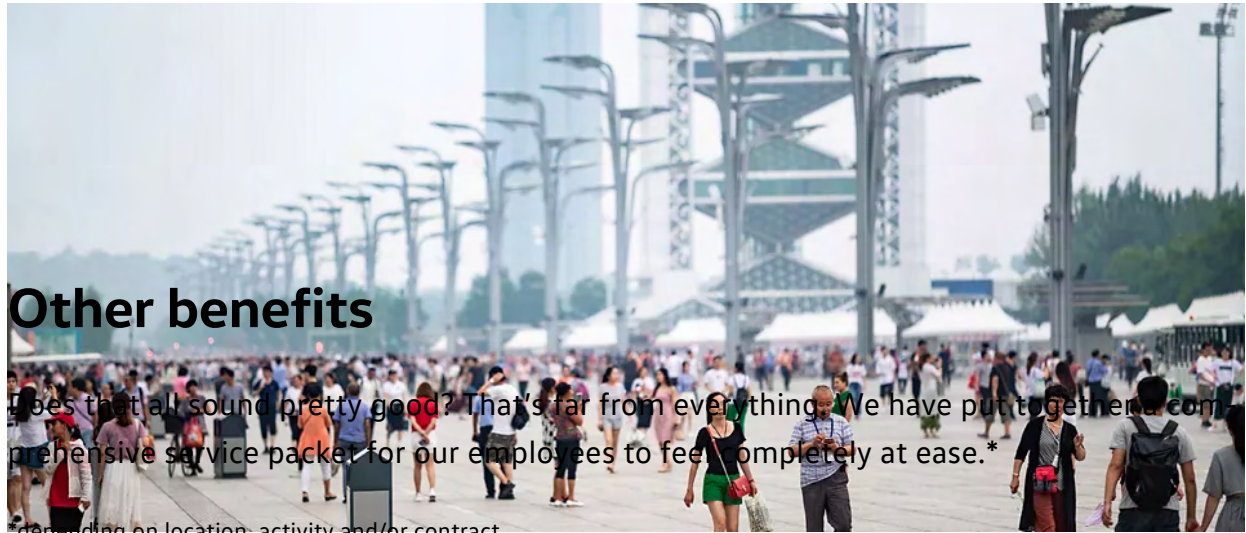

Childcare

We ensure that your children are well looked after whilst you work. To that end, in Wolfsburg we work closely with the municipal childcare services and offer childcare on site at our sites in Hannover, Emden and Kassel.

See the world with Global Assignments

With our Global Assignments, you can gain valuable international experience whilst benefiting from professional support. No matter which stage of your career you are at with us: we are here to support you and your family and are by your side from the planning stage to your time abroad to your return.
