Military

Our Commitment extends beyond words. Thanks to the generosity of our Associates, Vendors and Customers The Kroger Co. proudly donated \$3.2 million in 2017 to our partners at the USO as part of our ongoing partnership and support of our veterans, service members and their families.

Zero Hunger Zero Waste

Across the United States, 42 million Americans struggle with hunger. At the same time, an estimated 72 billion pounds of food ends up in a landfill every year. As America's grocer, Kroger is committing to doing something about it. Zero Hunger Zero Waste is our mission to end hunger in our communities and eliminate waste in our company.
