

Why Work with Us?

Our Values

Everything we do is guided by our three core values:

- **Empower:** We believe in acting as proactive self-starters and enabling our colleagues to succeed.
- **Deliver:** We believe in achieving our goals and taking accountability for our actions.
- **Do It Together:** We believe in caring for our customers, patients, and one another, while valuing diversity, equity, and inclusion.

Benefits & Perks

Everyone's different. That's why we made our benefits package both generous & flexible, and we provide comprehensive and affordable health insurance to help you and your family stay well, get healthy and live better.

Benefits & perks include:

Tuition reimbursement:

We empower employees to grow in their development with the support of tuition reimbursement as a part of our benefits package.

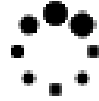

A student loan paydown program:

Through our paydown programs, we help employees reduce their student loan debt.

A competitive salary:

We value our employees and that is why we make sure that our salary is competitive.

Generous PTO & floating holidays:

We recognize that employees have responsibilities and activities outside of work and want to support a healthy work-life integration with a great PTO package and floating holidays.

Professional development programs:

Development and growth are an important part of the employee experience, which is why we focus on growth through "innovative experiences" as well as throughout your career path.

Flexible work options:

We know that employees bring their whole selves to work and everyone's situation is different. That is why we offer flexible work options for our employees when possible.

401(k) program:

Our 401(k) program is generous, as we want to help you achieve your financial goals for retirement.

A state-of-the-art fitness center at our headquarters:

We offer assistance for employees, no matter where they are in their fitness journey. This includes access to the fitness center at our headquarters, and various classes that are offered there.

Paid time off for volunteering:

Giving back to the community is important to us. That is why we offer paid time off for employees can volunteer.

Pet insurance, telemedicine, identity protection, legal advice, acupuncture coverage, gym reimbursement & more

As we constantly strive to enhance the employee experience, we offer many other benefits and perks.

Income Protection:

We offer benefits to help you meet your financial obligations, such as life and disability insurance, supplemental health plans and flexible spending accounts.

Employee assistance program:

Life happens. We're here to support whatever our employees are going through – in and out of the office. Employees and their families can access counseling services at no cost.
