С Ä

# **SmartHealth**

## **Comprehensive healthcare**

We take wellness to heart and strive to keep our teams happy and healthy in all they do, now and in the future.

#### Medical

Samsung provides access to a multitude of medical plans which all include prescription coverage and wellness resources to keep you balanced.

Flexibility is a key feature of our dental plans, giving you the freedom to choose from a long roster of dentists.

Dental

Vision

Our extensive network means Samsung employees can choose from excellent partners to find the perfect fit.

#### **Telehealth services**

You deserve to access the care you need whenever and wherever you need it. Connect with board-certified doctors via video conference around the clock.

#### **Employee Assistance** Program

Our people and their families receive world-class therapeutic services and support through our health network.

Internships

## Work Life Success

Balance is the key to sustainable innovation. With Work Life Success, we strive to help you synchronize work and personal life.

### Paid Time Off

We offer a generous PTO policy that allows all regular, full-time employees to accrue the equivalent of 20 days per year, increasing with tenure, in addition to company holidays.

#### FlexTime

Flex or change your start and end times within specified "core hours" while still working a standard workday.

#### FlexPlace

Regular full-time and dispatched employees can work from home or an alternate location up to four times per month.

#### FlexYourFriday

Leave the office early on Fridays during the summer months for a jump start to the weekend.

## **Financial wellness**

We offer an array of financial benefits to help you plan soundly, now and for the future.

#### Health Savings Account

Save funds for health care expenses with an impressive tax advantage and investment options, which you can keep even if you leave Samsung.

#### Flexible Spending **Accounts**

Set aside money for important expenses and simultaneously reduce your income taxes with your choice of health, dependent care or commuter benefits.

401(k)

The Samsung 401(k) Plan supports your financial wellness by empowering you to save money for retirement and other long-term financial goals.

#### **Tuition assistance**

Get tuition support for pursuing degrees that expand on your Samsung position or career path - so you never stop growing.

At Samsung, we're proud to offer a suite of family-forward benefits to help you along your journey to becoming a parent or growing your family.

Citizenship

#### Student loan support

Samsung will help alleviate employees' student loan debt with annual contributions. You can also get support for student or Parent PLUS loans through our partners at SoFi.

### Healthy Pregnancies, **Healthy Babies**

This compensated program is designed to support you and your baby during your pregnancy and in the weeks following birth.

#### **Adoption Assistance** Program

We're proud to offer our employees assistance with costs associated with adopting a child.

### Paid Child Caregiver Leave

Benefits

We understand the sanctity of parents' time with their newly born, adopted or placed child, and provide up to 12 weeks of fully paid parental leave.

#### WINFertility

You'll receive personalized guidance, education, emotional support and 24/7 Nurse Care Manager availability throughout your familybuilding journey.

### Incentives

Our Smart Health Wellness Program is designed to support your overall health and let you earn money for doing so.

#### **Fitness** reimbursement

Focus on your fitness with reimbursement for your gym membership, personal fitness training, group exercise classes or a Cubii.

#### **Annual physical**

Visit your doctor for your annual physical with no co-pay – and an added paid incentive from Samsung.

#### Preventative screenings

Samsung provides an incentive for biometric screenings, PSAs, pap smears and mammograms to support long-term health.

#### Milk Stork

Samsung partners with Milk Stork to provide parents everything they need to get breastmilk home while traveling on business.

### Lifestyle management

Enroll in select lifestyle management programs and get reimbursed for courses on stress management, tobacco cessation and more.
