

Building a better working world

# Financial benefits for employees

Provide your employees with financial freedom. Let them access their salary the moment they need it.

[ey.com/pl/OpenInnovationHub](https://ey.com/pl/OpenInnovationHub)

## Challenge

### Managing personal finance can be laborious and stressful.

Getting paid once per month can put a financial strain on many. You never know when the unexpected happens to your employees, or what financial situation they're dealing with at home.

## Solution

### An innovative financial platform enabling flexible pay days via automatic cash-advancements management.

#### Key Features:

#### Easy and early access to cash

Employees are able to transfer the salary they've earned so far, anywhere, anytime, with a click of a button

#### Employee motivation and satisfaction

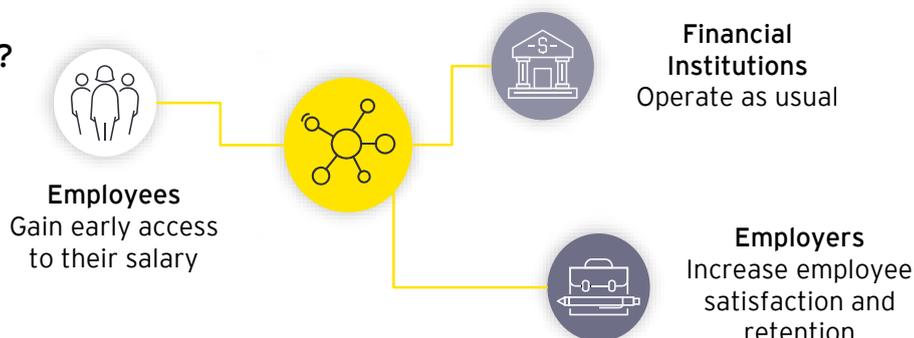

By offering your employees a greater level of financial flexibility and freedom, you have the opportunity to increase their productivity and satisfaction and keep them for longer.

#### Seamless integration

Plug-in like feature of the solution allows you to update your current payroll system absolutely hassle-free

#### How it works?

## Case study

### Context

One of the biggest banks in Poland, hiring around 10,000 employees with over 600 branches across the country. A big majority of employees are lower lever positions or fresh college graduates - seeking financial stability from their employer. Implementing cash advance app as a financial benefit - benefit that employees truly care about.

### Scope of implementation:

- 49 employees received access to an app during the first month of the pilot implementation in order to investigate the demand for instant cash advances

## Client impact

**85%** of study participants responded they are satisfied with the app and would like to keep having the access to it after the pilot ends.

**84%** of participants actively used the app and transferred a total of 13,773 PLN the amount of all cash advances within the first month,
