Dear Member:

By enrolling in Keystone First VIP Choice (HMO-SNP), you receive a **quarterly benefit of \$300** to spend on over-the-counter (OTC) products that are exclusively available from this catalog. Your OTC benefit allows you to select items such as cold and cough medicines, incontinence products, vitamins, dental care items, and much more. Items ordered from this catalog will be shipped directly to you, at **no cost to you!**

What is covered with your OTC benefit?

Eligible items include OTC remedies or medicines to alleviate or treat illness or injury, such as dental care items, eye and ear care items, and incontinence supplies (adult diapers). These items do not require a prescription from a health care provider.

Dual-purpose items are items that may serve more than one purpose. These items are sometimes used to alleviate or treat a medical condition or they may be used to promote general health and well-being. These items do not require a prescription from your provider to purchase; however, Keystone First VIP Choice (HMO-SNP) strongly recommends that you discuss these items with your provider prior to ordering or using. For your convenience, we have identified these categories throughout the catalog.

Your quarterly benefit can be used anytime during the quarter to order OTC items from this catalog. You cannot spend out-of-pocket beyond your benefit allowance and any unused benefit is forfeited at the end of each quarter. In addition, any out-of-pocket OTC items purchased by you will not be eligible for reimbursement from the benefit plan or Fieldtex Products Inc. If mailing your order form, be sure to allow seven days for your order to reach us.
