Annual Enrollment - October 27 to November 10

Fermilab provides our retirees with a comprehensive and affordable healthcare benefit program.

This **Enrollment Guide** focuses on the medical plans offered to Fermilab retirees and their dependents who are **not Medicare eligible**. These retirees and their dependents receive medical and prescription drug coverage in the PPO or HMO plans provided by Blue Cross Blue Shield of Illinois.

Medicare eligible retirees will continue to partner with *Via Benefits* for medical and prescription drug coverage to supplement Medicare. *Via Benefits* will mail materials separately to Medicare eligible retirees and their dependents explaining their options for lf you have questions about this, call *Via Benefits* directly at 1-855-241-5721.

Annual Enrollment is your opportunity to make changes to your retiree medical coverage for the upcoming year. You may change between the HMO and PPO plans. You can drop a dependent, but you may not add any new dependents. To make a change, complete the enclosed Annual Enrollment form on page 1 and send it to the Fermilab Benefits Office. If you do nothing, your coverage will stay the same in

### What's happening in 2022

- 1. Medical plan rates are increasing. Rate increases are dictated by several factors: claims experience, projected experience, population demographics and health care inflation. The retiree medical plan rates are on page 3.
- **2. PPO Plan only** etirees enrolled in the PPO plan must purchase maintenance medications in a 90-day supply through Express Scripts Mail Order service or at a Walgreens retail location. See page 4 for details.
- **3.** PPO Plan only Livongo Diabetes supplies at no cost. See page for details.

#### **Frequently Asked Questions:**

# Q: What are my options during Annual Enrollment?

A: This is your annual opportunity to:

- □ Review both plan options.
- ☐ Change between the HMO and PPO plans.
- □ Drop a dependent.
- □ Update contact information. This can be completed anytime throughout the year

# Q: Can I add a dependent during Annual Enrollment?

A: No, the plan does not allow retirees to add dependents to the plan after retirement unless it's a newly acquired dependent. For example: The retiree gets married. The new spouse must be added to the plan within 31 days of the event (marriage).

# 90 – day supply of maintenance medications available at Walgreens for the PPO plan

- Blue Cross Blue Shield of Illinois (BCBSIL) PPO plan participants must purchase maintenance medications in a 90-day supply at Walgreens or via mail order with Express Scripts.
- □ Filling a 3-month supply of your long-term medication can help you save time, money and trips to the pharmacy.
- □ Mail order service through Express Scripts remains as an option at the same benefit coverage evel.
- □ Impacted plan participants will be notified by Express Scripts via letter to the address onfile.
- Plan participants will receive two courtesy fills for the incorrect supply amount (34 days instead of 90) or pharmacy (CVS instead of Walgreens).
- □ Plan participants will receive a letter after each courtesy fill with instructions on the nexts teps.
- □ Express Scripts and Walgreens will assist plan participants with converting to a 90-day supply or the transfer of a prescription to Walgreens.
- Express Scripts will assist plan participants to switch to the mail order service if there is no Walgreens close to them.

### **Medical Plan Rates Update**

- □ In August 2019, active Fermilab employees were notified of a change to the retiree healt haare insurance contribution percentage.
- □ This change impacts employees that retire after January 1, 2020.
- □ If you retired prior to 12/31/2019 this does not impact you or your dependent. Non-Medicare eligible retirees and covered dependents as of 12/31/2019 were grandfathered at the cost sharing percentage rate in effect in 2019, which averages about 37% of total premium.
- □ For those who retired after 1/1/2020 Fermilab changed **the percentage** the non-Medicare eligible retiree pays for retiree medical coverage

Retirement Date	Retiree Pays	Grandfathering
Currently retired	37% of premium	Yes, until Medicare eligible
On or before December 31, 2019	37% of premium	Yes, until Medicare eligible
On or after January 1, 2020	50% of premium - cost share effective 1/1/2020	No

### When You Become Medicare Eligible

Fermilab partners with **Via Benefits**, a wholly owned subsidiary of Towers Watson to assist Medicareeligible retirees in making an informed decision about their healthcare coverage. Via Benefits will provide retirees with personal support and guidance to help them choose appropriate healthcare plans and enroll in their coverage. Fermilab will provide the retiree and his/her eligible dependent with a **Health Reimbursement Account (HRA)**, **funded with \$175 monthly**, per person, to help cover the costs of the plans they choose.

#### Becoming Eligible for Via Benefits and Medicare:

- Retirees and/or their eligible dependents will become eligible for both Medicare and the Via Benefits program at age 65.
- Via Benefits will mail a letter to the retiree (or eligible dependent) 6 months prior to the retiree's 65<sup>th</sup> birthday encouraging the retiree to make a telephone appointment with a benefit advisor.
- Via Benefits will mail an enrollment guide and cover letter 3 months prior to the retiree's 65<sup>th</sup> birthday (or eligible dependent). The enrollment guide will provide detailed information about next steps.
- Retirees (or eligible dependents) should enroll in Medicare the first day of the month in which they turn 65. Retirees and eligible dependents should enroll in Medicare immediately upon becoming eligible because:
  - Blue Cross Blue Shield will begin paying claims secondary to Medicare on the first day of
    the month the retiree becomes Medicare eligible. A retiree (or eligible dependent) who is
    not enrolled in Medicare will be responsible for paying the portion of any claims Medicare
    would have paid, had the retiree enrolled timely.
  - Retirees (or eligible dependents) must be enrolled in Medicare to join the Via Benefits program.
- Retirees (or eligible dependent) are eligible for the Via Benefits program the first day of the
  month following the full month after they turn 65. This provides time to select a plan with Via
  Benefits.
  - Example: John Smith is already retired from Fermilab and is enrolled in our PPO plan. John's 65<sup>th</sup> birthday is February 14, 202. John will be eligible for the Via Benefits program effective April 1.
  - John's Fermilab group PPO plan coverage will end on March 31, 202.

### Plan participants will receive diabetes supplies through Livongo at no cost to the participant

- Blue Cross Blue Shield of Illinois (BCBSIL) PPO plan participants may purchase diabetes supplies through Livongo at no cost to the plan participant.
- Participants will receive:
  - o An advanced blood glucose meter
  - o Unlimited strips and lancets
  - o Real-time tips and support from certified diabetes educators.
- The program will be accessible after January 1 at **join.livongo.com/FERMILAB/hi** or (800) 945-4355, client registration code FERMILAB.
- This program assists those impacted by diabetes with the cost of the meter and supplies and provides additional support and tools.

### **Legally Required Notices**

#### Women's Health and Cancer Rights Act (WHCRA)

The Women's Health and Cancer Rights Act (WHCRA), signed into law on October 21, 1998, contains protections for patients who elect breast reconstruction in connection with a mastectomy. For plan participants and beneficiaries receiving benefits in connection with a mastectomy, plans offering coverage for a mastectomy must also cover reconstructive surgery and other benefits related to a mastectomy. When a covered person receives benefits for a mastectomy and decides to have breast reconstruction, based on consultation between the attending physician and the patient, the medical plan must cover: reconstruction of the breast on which the mastectomy was performed; surgery and reconstruction of the other breast to produce symmetrical appearance; prostheses and physical complications in all stages of mastectomy, including lymphedemas. Coverage of these services is subject to the terms and conditions of your health plan, including your plan's normal co-payment, annual deductibles and coinsurance provisions.

## Qualified Changes in Status / Changing Your Pre-Tax Contribution Amount Mid-Year

We sponsor a program that allows you to pay for certain benefits using pre-tax dollars. With this program, contributions are deducted from your paycheck before federal, state, and Social Security taxes are withheld. As a result, you reduce your taxable income and take home more money. How much you save in taxes will vary depending on where you live and on your own personal tax situation. These programs are regulated by the Internal Revenue Service (IRS). The IRS requires you to make your pre-tax elections before the start of the election-period year. The IRS permits you to change your pre-tax contribution amount mid-year only if you have a change in status, which includes the following:

- Birth, placement for adoption, or adoption of a child, or being subject to a Qualified Medical Child Support Order which orders you to provide medical coverage for a child.
- Marriage, legal separation, annulment, ordivorce.
- Death of a dependent.
- A change in employment status that affects eligibility under the plan.
- A change in election that is on account of, and corresponds with, a change made under another employer plan.
- A dependent satisfying, or ceasing to satisfy, eligibility requirements under the health care plan.

The change you make must be consistent with the change in status. For example, if you get married, you may add your new spouse to your coverage. If your spouse's employment terminates and he/she loses employer-sponsored coverage, you may elect coverage for yourself and your spouse under our program. However, the change must be requested within 31 days of the change in status. If you do not notify the Benefits Office within 31 days, you must wait until the next annual enrollment period to make a change. These rules relate to the program allowing you to pay for certain benefits using pre-tax dollars. Please review the medical booklet and other vendor documents for information about when those programs allow you to add or drop coverage, add or drop dependents, and make other changes to your benefit coverage, as the rules for those programs may differ from the pre-tax program

#### Grandfathered Health Plan

Effective January 1, 2014 none of the plans at Fermi Research Alliance, LLC are "grandfathered health plans" under the Patient Protection and Affordable Care Act (the Affordable Care Act).

#### Genetic Information Nondiscrimination Act of 2008 (GINA)

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

#### Primary Care Provider

Blue Cross Blue Shield Blue Advantage HMO Medical Plan generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. Blue Cross may designate a primary care provider automatically, until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Blue Cross at 1-800-892-2803 or www.bcbsil.com.

For children, you may designate a pediatrician as the primary care provider. You do not need prior authorization from Blue Cross or from your primary care provider in order to obtain access to obstetrical or gynecological care from a health care professional in the medical plan network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Blue Cross at 1-800-892-2803 or www.bcbsil.com.

#### **HIPAA Notice of Special Enrollment Rights**

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, you must request enrollment within 31 days after you or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption. To request special enrollment or obtain more information, contact the Benefits Office.

The Children's Health Insurance Program Reauthorization Act of 2009 added the following two special enrollment opportunities:

- The employee or dependent's Medicaid or CHIP (Children's Health Insurance Program) coverage is terminated as a result of loss of eligibility; or
- The employee or dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP.

It is your responsibility to notify the Benefits Office within 60 days of the loss of Medicaid or CHIP coverage, or within 60 days of when eligibility for premium assistance under Medicaid or CHIP is determined. More information on CHIP is provided below.

#### Protecting Your Privacy

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires employer health plans to maintain the privacy of your health information and to provide you with a notice of the Plan's legal duties and privacy practices with respect to your health information. If you would like a copy of the Plan's Notice of Privacy Practices,

# Medicaid and the Children's Health Insurance Program (CHIP) Offer Free or Low-Cost Health Coverage to Children and Families

If you are eligible for health coverage from your employer, but are unable to afford the premiums, some states have premium assistance programs that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage, but need assistance in paying their health premiums. A list of states that offer these programs and information about how to contact them is available on the Benefits page at https://hr.fnal.gov/benefits/legal-notices/.
