## CAREERS

# Work With Us

We're looking for motivated and driven individuals who share our mission to positively impact the financial future of communities across the country.

[VIEW OPENINGS](#)

## Our TCG Core Values

### Ethical Behavior

We will not cut corners in the interest of profits or business growth. We will always be accountable for actions and inactions.

### Competence

We will treat each task as important, and never perform a service without being certain we can demonstrate the highest skill and ability.

### Service

We will treat each customer with importance and assure they are delighted in their experience. Dignity, respect, and courtesy are key.

### Right Staff

Employees are our most important asset. We will only hire and retain staff who consistently demonstrates and believe in our values.
