What UnitedHealthcare brings to Arkansas

Quality health plans

Each of our plans has built-in programs that integrate quality care with technology, tools and resources and may include:

- Value-based designs to help encourage members to use quality network PCPs at lower copays
- PCP-guided decisions about care
- Standard copay designs that offer greater flexibility and access to care
- Specialty plans that may help you save on your medical premium

Innovative tools

- **Employer eServices**[®] helps you manage enrollment, eligibility and billing in real time
- **myuhc.com**[®] gives your employees easy access to their plan—they can find and price network care, view claims and more

Wellness programs and more

- **Rally**[®] **Health & Wellness** uses technology to engage employees in managing their health by providing the tools to help them get healthier
- **Real Appeal**[®] is a personal weight loss program
- **SimplyEngaged**[®] delivers rewards for completing certain health actions and/or improving health
- **UnitedHealthcare Motion**[®] offers financial incentives for reaching certain daily fitness goals

Nation's largest proprietary network

- With UnitedHealthcare, your employees have greater access to doctors and hospitals in Arkansas—and throughout the country

Rally® Health and Wellness provides health and well-being information and support as part of your health plan. It does not provide medical advice or other health services, and is not a substitute for your doctor's care. If you have specific health care needs, consult an appropriate health care professional. Participation in the health survey is voluntary. Your responses will be kept confidential in accordance with the law and will only be used to provide health and wellness recommendations or conduct other plan activities. **Simply Engaged®** is a voluntary program. The information provided under this program is for general informational purposes only and is not intended to be nor should be construed as medical advice. You should consult with an appropriate health care professional to determine what may be right for you. Rewards may be taxable. You should consult with an appropriate tax professional to determine if you have any tax obligations from receiving rewards under this program. **UnitedHealthcare Motion** is a voluntary program. The information provided is for general informational purposes only and is not intended to be nor should be construed as medical advice. You should consult an appropriate health care professional before beginning any exercise program and/or to determine what may be right for you. Receiving an activity tracker and/or certain credits and/or purchasing an activity tracker with earnings may have tax implications. You should consult an appropriate tax professional to determine if you have any tax obligations under this program, as applicable. If any fraudulent activity is detected (e.g., misrepresented physical activity), you may be suspended and/or terminated from the program. If you are unable to meet a standard related to health factor to receive a reward under this program, you might qualify for an opportunity to receive the reward by different means. You may call us toll-free at 1-855-256-8669 or at the number on your health plan ID card, and we will work with you (and, if necessary, your doctor) to find another way for you to earn the same reward. Rewards may be limited due to incentive limits under applicable law. Subject to HSA eligibility, as applicable. **Real Appeal** is a voluntary weight loss program that is offered to eligible members at no additional cost as part of their benefit plan. The information provided under this program is for general informational purposes only and is not intended to be nor should be construed as medical and/or nutritional advice.
