

Lower cost Coordinated care More choice

SelectColorado is designed to deliver all 3

Through a highly integrated collaboration between UnitedHealthcare, UHealth and SCL Health, SelectColorado offers an enhanced vertically integrated health care model designed to offer members a better holistic experience at a lower cost.

Lower costs for you

With SelectColorado, employers may save up to 15%.¹

Coordinated care helps lower costs for your employees

Your employees receive the highest level of benefits and lower costs for covered services when they choose a Tier 1 primary care provider (PCP). Their PCP acts as a partner, coordinating their care across the network. Better coordination of care is designed to help employees get the care that's right for them – with the goals of lower costs, more convenience and healthier outcomes.

Local and national Tier 1 providers

- \$0 copay for Virtual Visits
- \$0 copay for primary care office visits
- \$0 copay for urgent care

More choice with local and nationwide provider access

SelectColorado's tiered benefit design for both provider groups and hospitals gives your employees and their families coverage close to home and far away. Your employees receive the highest level of benefits and lower costs from Tier 1 providers in the 14 county primary service area, as well as out of state.
