

Welcome to Kaiser Permanente

Get started in 3 easy steps

How your Kaiser Permanente health plan works

Your Signature HMO plan

You are enrolled in the Signature HMO plan, which includes an important highlight.

Your physicians: With this plan, you have access to the Signature delivery system, which gives you quality care from Mid-Atlantic Permanente Medical Group, P.C. (Permanente), physicians. They're part of a group of over 1,700 physicians who practice in our state-of-the-art medical centers located in Maryland, the District of Columbia, and Virginia.

For more information on your plan, visit [kp.org](https://www.kp.org) and review your plan document.

Get seamless care with the help of your electronic health record

Securely share your health history and any concerns with your personal doctor.

Your doctor coordinates your care, so you don't have to worry about where to go or who to call next.

Future care teams have a full picture of your health history – without you having to repeat your story.

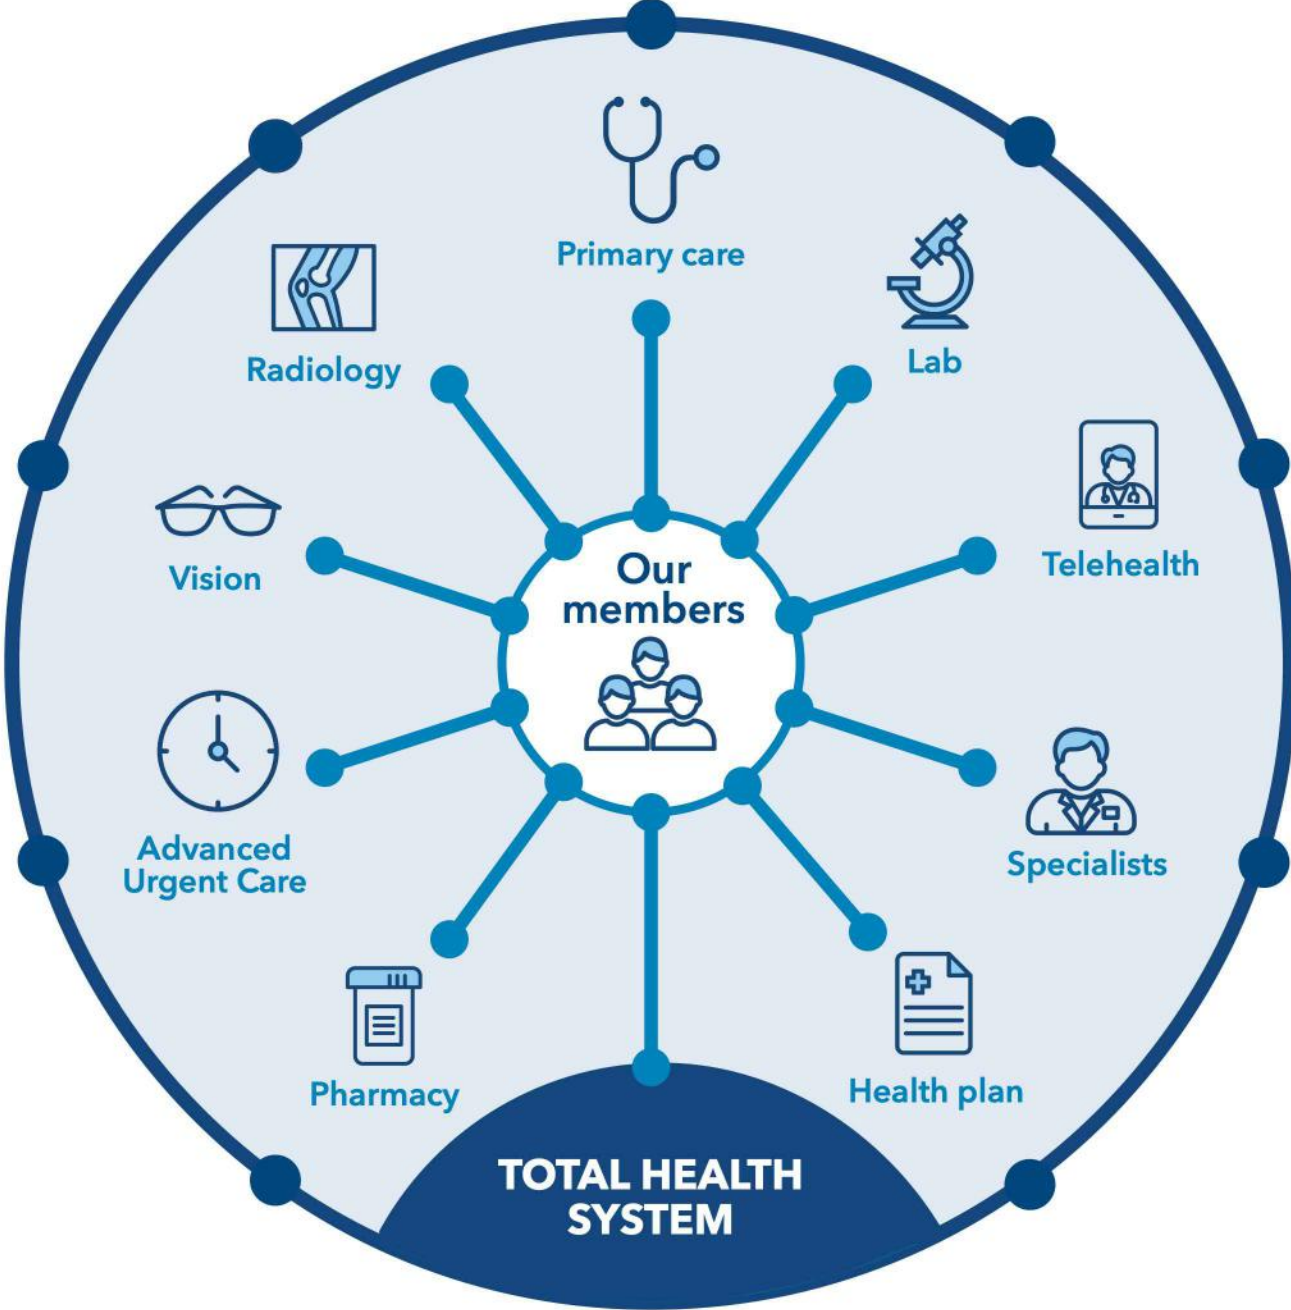

With your health records in hand, your care team knows your needs in the moment and reminds you to schedule checkups and tests. Plus, you can view your records 24/7.

Our members are at the heart of all that we do

Our patient-centered approach keeps the focus on our members and their well-being. Permanente doctors are relieved of administrative tasks, so they can focus on their patients. Instead of taking a one-size-fits-all approach, they get to know you and personalize your care to meet your health needs. This means you always get the care and treatment that works best for you.

Greetings

We're glad to be your partner on this journey, and we look forward to a long and healthy relationship with you.

This reference guide will help you make the most of your membership with Kaiser Permanente. It puts important details at your fingertips, including how to get care, important phone numbers, and information about Urgent Care centers. You will also find information about pharmacies, getting care away from home, and understanding your costs.

This reference guide will also walk you through the most important steps for accessing your membership. The sooner you choose a doctor and sign up on our website, the more you'll get out of your new health plan.

We encourage you to take a few minutes to read through this brochure and keep it nearby for quick reference.

Get started today by calling the New Member Activation Desk at **855-392-4851** (TTY **711**) or visiting **kp.org/newmember**. Take advantage of all that life has to offer by being as healthy as you can be.

Need help getting started?

Call our New Member Activation Desk at **855-392-4851 (TTY 711)**, Monday through Friday, 7 a.m. to 7 p.m.

Our onboarding agents can help you with everything from choosing a doctor to registering on **kp.org**, transferring your prescriptions, and making your first doctor's appointment.

Step 1 Create your online account on **kp.org**

Start using our secure website, **kp.org**, to manage your health on your time¹

Visit **kp.org** anytime, from anywhere, to:

- Schedule an appointment to see physicians and providers by video visit.²
- View most lab results.
- Refill most prescriptions.
- Email your doctor's office with nonurgent questions.
- Schedule and cancel routine appointments.
- Print vaccination records for school, sports, and camp.
- Manage a family member's health care.
- Get a personalized cost estimate.
- Use our Chat with KP feature.
- And much more.

Caregiver access

Caregivers can access certain features of **kp.org** for loved ones who are members of Kaiser Permanente. Nonmembers can be caregivers on **kp.org** as long as they are at least 18 years old and have either:

- Permission from you, or
- Legal rights to make health care decisions on your behalf, or legal rights to access your health care information.

To set up an account, go to **kp.org/register** and follow the prompts for caregiver access.

Download the Kaiser Permanente app

Now you can download the Kaiser Permanente app³ to your smartphone.

1. From your smartphone, go to your preferred app site: App StoreSM (iOS) or Google Play[®] (AndroidTM).⁴
2. Search for the Kaiser Permanente app, then download it to your smartphone.
3. Use your **kp.org** user ID and password to activate the app, and you'll be ready to go.

Digital membership card

Access your membership information anytime, anywhere, with an electronic version of your membership card to:

- Check in for appointments.
- Pick up prescriptions.
- Access your family's membership information.

To use your digital membership card, tap the card icon at the bottom of the Kaiser Permanente app dashboard.

Creating an account is easy

Go to **kp.org/newmember** from a computer or mobile device and follow the sign-on instructions. You'll need your medical record number, which you can find on your member ID card.

Personalize your **kp.org** experience: Use your member ID card and our new Member Photo Upload feature to add your digital image to **kp.org**.

¹These features are available when you get care at Kaiser Permanente facilities.

²If you travel out of state, phone appointments and video visits may not be available due to state laws that may prevent doctors and health care providers from providing care across state lines. Laws differ by state. If you have an HSA-qualified deductible plan, you may need to pay the full charge for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

³To use the Kaiser Permanente app, you must be a Kaiser Permanente member registered on **kp.org**.

Step 2 Choose your doctor—and change anytime

Select from a wide range of great doctors and change anytime, for any reason

To help you find the personal doctor (also called a primary care physician) who's right for you, you can browse our online doctor profiles. There, you'll see information related to their education, credentials, specialties, and interest areas, as well as if they're accepting new patients.

Women should choose an ob-gyn in addition to their primary care physician.

You can choose a personal doctor with any of these specialties:

- Adult medicine/internal medicine
- Family medicine
- Ob-gyn
- Pediatrics/adolescent medicine (for children up to 18)

Each covered family member may choose his or her own personal doctor. If you do not choose a primary care physician or ob-gyn within the first 30 days of enrollment, one will be assigned to you.

If the doctor you'd like to select isn't accepting new patients, you can call us at **800-777-7904** (TTY **711**) for assistance.

See specialists, some without a referral

You don't need a referral for the following specialties—just call for an appointment:

- **800-777-7904** (TTY **711**) for obstetrics-gynecology and optometry
- **866-530-8778** for behavioral health—initial consultation (except inpatient care) and chemical dependency or addiction medicine

For other types of specialty care, your doctor will refer you.

Go to kp.org/doctor to browse our doctor profiles and find a doctor who matches your needs. You can also call **800-777-7904** (TTY **711**), 24 hours a day, 7 days a week.

Step 3 Get prescriptions

We make it easy to get your prescriptions

We have two ways to help you transfer your prescriptions from your current pharmacy to a Kaiser Permanente pharmacy.

- Go to kp.org/newmember and follow the steps to complete the online form.
- Simply choose a Kaiser Permanente pharmacy at kp.org/facilities and call us.

Remember to contact us before you need a refill, as it can take 2 or more business days to transfer your prescriptions.

Here's what you'll need

To transfer a prescription, please have the following information ready when you call:

- Your Kaiser Permanente medical record number
- The name and telephone number of your current pharmacy
- The name, strength, and directions for use of the prescribed medication
- The prescription number of the prescribed medication

Mail Order Pharmacy

Get medications in 3 to 5 days and at no cost with Mail Order Pharmacy.¹ Register at

kp.org to start using this service, or call **800-733-6345**. Some prescriptions are available for same-day delivery for a small fee; members with eligible prescriptions can select this option at checkout.

Medication reminder service

Remembering to take medication is important for your health care. Our reminder service—offered via the Kaiser Permanente app^{2,3}—can send you alerts about what dose of your medications to take and when, making it easier for you to keep track.

Creating a reminder is easy:

1. In the Kaiser Permanente app, go to the pharmacy section.
2. In the medication list, tap the medication you want to view.
3. Under prescription details, toggle on “Reminders to Take.”

Using network pharmacies

You may also have access to participating network pharmacies, including Giant, Harris Teeter, Rite Aid, Safeway, Walgreens, Walmart, and others. You will not be able to use the Kaiser Permanente Mail Order Pharmacy if you

fill your prescriptions using network pharmacies. Check your plan document to see if your plan gives you access to network pharmacies.

For a list of Kaiser Permanente pharmacies and phone numbers, see page 7.

Get prescription refills by phone

Call us at **800-700-1479 (TTY 711)**, 24 hours a day, and follow the instructions to request refills for most prescriptions.

Get prescription refills online

Register on kp.org or the Kaiser Permanente app to request refills for most prescriptions online.

What drugs are covered?

Visit kp.org/formulary for a list of approved drugs.

Picking up your order

You can fill your prescriptions at the Kaiser Permanente pharmacies located in our medical centers. Just visit kp.org/facilities and select the Kaiser Permanente pharmacy where you'd like to pick them up.

¹Some medications are not eligible for Mail Order Pharmacy. Mail Order Pharmacy can mail to addresses in MD, VA, DC, and certain locations outside the service area.

³If you have an HSA-qualified deductible plan, you may need to pay the full charges for scheduled phone appointments and video visits until you reach your deductible. Once you reach your deductible, you won't pay anything for scheduled phone appointments and video visits.

⁴If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.

Cigna is an independent company and not affiliated with Kaiser Foundation Health Plan, Inc., and its subsidiary health plans. Access to the Cigna PPO Network is available through Cigna's contractual relationship with the Kaiser Permanente health plans. The Cigna PPO Network is provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company. The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.

It closes early the day before a holiday at 10 p.m. Pacific time (PT), and it reopens the day after a holiday at 4 a.m. PT.

Understanding your costs and benefits

You pay \$0 cost share for in-network preventive care

Preventive care includes routine physicals, well-child visits, and certain screenings and tests (such as mammograms), so there's no need to delay making your first appointment with your primary care physician.

If you have symptoms of a condition, your doctor may order a service to help find out what it is or help treat it. Since you've shown symptoms, this service doesn't qualify as preventive. It's actually diagnostic, since it's used to diagnose your condition, and cost sharing may apply.

You may also get services to help treat a condition that's already been diagnosed. Since you're being treated for an existing condition, these services are also non-preventive, and cost sharing may apply.

Tests or services ordered for or during a routine physical or well-child visit may result in cost sharing if those services are related to diagnosing, monitoring, or treating an existing condition.

You may have a copay for most other care, such as appointments with specialists, urgent care, and some tests and services. Please refer to your plan document.

You can estimate the cost of your next visit at kp.org/costestimates. You'll need to be registered on kp.org to use this secure tool.

Your share of costs

“Cost share” refers to what you pay as part of your share for health care costs. Refer to your plan document to learn more about your plan’s specific cost shares.

Type of cost share	What it is	When you pay
Copayment (copay)	<p>The set fee you pay for a covered service (for instance, a non-preventive office visit) every time that service is provided. Copayments vary depending on your plan and do not count toward a deductible. However, they do count toward your annual out-of-pocket maximum for most services.</p>	<p>Nearly all plans have copayments or coinsurance. A copayment or coinsurance may be owed on the day you receive services, for each visit, even if multiple visits occur on the same day.</p>
Coinsurance	<p>The percentage of the cost for a covered service. For example, if your coinsurance is 15% and your allowed office visit cost is \$100, then you pay \$15 and the health plan pays \$85. Coinsurance varies according to your plan and does not apply toward the deductible. However, it counts toward your annual out-of-pocket maximum for most services.</p>	<p>There is no copay or coinsurance for preventive care for non-grandfathered plans. What you owe depends on your plan’s benefits and the services you receive.</p>
Out-of-pocket maximum	<p>The maximum amount you pay out of pocket each contract year for most covered services. Once the amounts you have paid equal the out-of-pocket maximum, you pay nothing for those covered services for the remainder of the contract year.</p>	<p>Depending on your plan, the copayments, coinsurance, and deductibles you pay for most services will count toward the out-of-pocket maximum.</p>
Deductible (Visit kp.org/deductibleplans for more information on deductible plans and to find helpful cost tools)	<p>The set amount you must pay each contract year for covered medical services before the health plan begins to pay its share. Not all services may be applied to the deductible. Deductibles vary depending on the plan you have.</p> <p>Once you have met your deductible, you will be required to pay only the applicable copayment or coinsurance for most covered services for the remainder of your plan’s contract year. Certain conditions may apply.</p>	<p>If you have a deductible, you will be billed for the full allowed amount for each service that is subject to the deductible during check-in or after the service via mailed bill. You may also receive an estimate of your charges before your office visit for certain services, and you may choose to make a deposit payment based on that estimate.</p>

Claims

You will not file claims for services if:

- You get medical care and services from network providers.
- You get an authorized referral from your network provider to see an out-of-network provider.
- Your amount paid was for a copayment.

If you file a claim:

- You have up to 180 days from the date you received care to submit your claim.
- Kaiser Permanente will review the claim and decide what payment or reimbursement you may be owed.
- Care must be medically necessary. Please refer to your plan document.

How to file the claim

To request payment or reimbursement, log on to kp.org, select [Coverage & Costs](#), and then click [Submit a claim](#).

Along with your member reimbursement form, the following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)
- Proof of payment (receipts or bank or credit card statements)

For COVID-19 home antigen tests, include a photo of the QR or UPC code from the self-test box.

You can also mail your member reimbursement form and required documents to:
