Welcome to Aetna Better Health[®] of Kentucky

Welcome and thank you for choosing Aetna Better Health of Kentucky. Your choice of our health plan is an important one for you and your family.

We have a strong network of doctors, hospitals and other health care providers. They offer a wide range of services to meet your health care needs and those of your family.

It's important that you understand how to use our services and your benefits. This Member Handbook has information you need to know about your benefits. Please take the time to read it carefully.

This handbook is subject to change based on information deemed mandatory by the Department for Medicaid Services. You can download a current copy of this handbook from our website at **[AetnaBetterHealth.com/Kentucky](https://www.aetna.com/betterhealth/kentucky)**.

Our Member Services Department is always ready to answer your questions. Call **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

Your health and the health of all Kentuckians is our priority. We look forward to serving you and your family.

We're here to help create a healthier Kentucky, with healthier communities, families and people. And it all starts with you.

How Managed Care Works

Managed Care Organizations (MCOs) like Aetna Better Health of Kentucky help you get high quality medical care. We have a network of doctors, specialists, pharmacists and other providers available to meet your health care needs. We offer bonus benefits and services designed to assist you in your health care journey. Whether you need preventive care or support to manage a chronic medical condition, we want to help you achieve your best health.

Aetna Better Health manages your covered Medicaid benefits by:

- Working with your Primary Care Provider (PCP) to decide what care you need
- Explaining information in this handbook when there is a question about coverage
- Providing palliative hospice services along with other health services and medication for members under age 19 who have been diagnosed with a serious illness

Providing you with quality service

Aetna Better Health serves members statewide. We're one of the largest managed care health plans in Kentucky. Our strong partnerships with health care providers and other community organizations help to give you complete and quality care.

Aetna Better Health of Kentucky is an accredited health plan through the National Committee for Quality Assurance (NCQA). The rating is based on clinical quality, member satisfaction and NCQA survey results. To find out more about Quality Matters, visit [AetnaBetterHealth.com/Kentucky](https://www.aetna.com/betterhealth.com/Kentucky).

Affirmative statement

Aetna Better Health employees make clinical decisions regarding health care based on the most appropriate care and service available. We don't reward providers or other employees for any denials of service. We also don't encourage nor reward clinical decisions that result in decreased services.

In addition, Aetna Better Health does not use incentives to encourage barriers to care and service. We prohibit any employee or representative of Aetna Better Health from making decisions regarding hiring, promotions, or termination of providers or other individuals based upon the likelihood or perceived likelihood that the individual or group will support or tend to support the denial of benefits.

Eligibility

Only the Department for Community Based Services (DCBS) may approve your eligibility for Medicaid. For questions about your eligibility, please call your local DCBS office at **1-855-306-8959**. You may also use **kynect.ky.gov**, the Assistance and Support Programs for Kentuckians website, to find out if you qualify for programs like Medicaid or the Kentucky Children's Health Insurance Program (KCHIP).

Enrollment

DCBS provides Aetna Better Health with the name, address, age and sex of each member enrolled in this plan. Your effective date is on your Aetna Better Health Member ID card.

Changes in enrollment

You must notify us if you have any of the following changes:

- You have a baby
- A covered family member passes away
- A covered family member moves out of your home
- Your family size changes in any way
- You move
- You get other health insurance

If any of the above apply to you, you must:

- Call your local DCBS office at **1-855-306-8959**.
- Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.
- If you also have Medicare, call your local Social Security Administration office.

If you move away from our service area, we'll help you get services until you are disenrolled.

Births

Once your baby is born, you must obtain a Medicaid ID number for your baby.

We want to be sure your baby doesn't have problems getting care. It's very important that you call your local Department for Community Based Services (DCBS) office to report your baby's birth and get the baby's Medicaid ID number. Your baby's provider(s) won't be paid until your baby receives her/his Medicaid ID number.

Babies born to mothers enrolled in Aetna Better Health should be automatically enrolled in Aetna Better Health. Please call your local Department for Community Based Services and Aetna Better Health at **1-855-300-5528 (TTY: 711)** to report your baby's birth.

Special programs

There are special programs available to help you. They're the Supportive Managed Care Program and the Supplemental Security Income Assistance program. They're described below.

Supportive Managed Care Program

The Supportive Managed Care Program is an approved Medicaid Program to give support to members who need assistance in managing health care needs. The program helps members manage their medical care. This program doesn't stop a member from getting the care they need. Instead, members get coordinated care when they use one doctor, one pharmacy and one hospital.

Member claims data is reviewed to identify members who have visited multiple providers, hospital emergency departments, and/or pharmacies.

Aetna Better Health can enroll the member with one or more providers that will support the member's establishment of a medical home and healthful prescription habits.

Someone who is in the Supportive Managed Care Program may only have access to one of each of these:

- One (1) primary care provider
- One (1) pharmacy
- One (1) hospital

Members will be limited to selected providers for a period of 24 months. Aetna Better Health will monitor the claims and pharmacy use of Supportive Managed Care Program members at least annually after the initial 24-month limited period.

If the member switches health plans, their assignment will follow them to their new health plan. Members determined by Aetna Better Health to be enrolled in the Supportive Managed Care Program will be provided with written notice of his/her enrollment in the program.

Enrollment in the Supportive Managed Care Program will be effective within 60 days from the date the member is provided written notice. A member will have the right to appeal his/her enrollment in the program by providing additional information as to why his/her enrollment is inappropriate. See page 50 for more information on appeal rights.

Supplemental Security Income (SSI) application assistance

SSI is a monthly cash benefit that you may get if you're disabled and you qualify. This government program is for adults and children. You don't need to have any work history to qualify.

Adults may qualify for SSI if they:

- Have a medical condition that needs ongoing care
- Have a medical condition that prevents them from working

Children may qualify for SSI if they:

- Have a medical condition that needs ongoing care
- Have problems talking, hearing or understanding words
- Are using a wheelchair or walker or need other medical equipment
- Are in a Special Education program

How to Use This Handbook

This member handbook explains how Aetna Better Health of Kentucky works and how to help keep you and your family healthy. It tells you how to get health care or emergency care when you need it and gives you information about going to your primary care provider (PCP). Your PCP is the provider you will go to for most of your health care needs. Your handbook also tells you what benefits are covered by Medicaid and explains bonus benefits you get as an Aetna Better Health member. It includes important contact information and websites that will be helpful resources, too.

Help from Member Services

Member Services can answer questions about health care benefits, ID cards and Primary Care Providers (PCPs). You can also call them to get help with some health care problems at **1-855-300-5528 (TTY: 711)**. Someone is there to answer your call Monday through Friday, 7 AM to 7 PM ET.

Our Member Services team is here to help make sure each member is treated fairly and able to exercise their rights.

Auxiliary Aids and Services

Member web portal

This member website is your go-to resource for managing your plan. It will help you use your Aetna Better Health benefits and services so you can get and stay healthy. You can:

- **Access health plan details** - change your doctor, find forms or get member ID cards
- **Get personalized health information** - answer questions about your health and get the tips and tools you'll need to meet your health goals, like quitting smoking and weight management
- **Get instant access to authorization approvals** - see the status of requests for prior authorization (if you are unable to access the web portal, we can mail these to you upon request),
- **Get instant access to claims details** - see the status of your claim from start to finish
- **Find support** - get in touch with a nurse or learn more about the disease management and wellness programs that will help you stay on track with goals. Sign up today. It's easy.

To learn more about these tools, you can visit Aetna Better Health at **[AetnaBetterHealth.com/Kentucky](https://www.aetnabetterhealth.com/Kentucky)**.

To create your account, go to **[AetnaBetterHealth.com/Kentucky/login](https://www.aetnabetterhealth.com/Kentucky/login)** and select Member Portal. And when you're ready to sign up, just select 'register online'. You will need your health plan member ID and a current email address to create an account.

Members can now also go to any specialty pharmacy contracted with the state. Contact MedImpact to help with this request.

Information about your providers

If you want to learn more about our providers, you can locate the information on our website at **[AetnaBetterHealth.com/Kentucky](https://www.aetnabetterhealth.com/Kentucky)**. Click on the 'Find a Provider' ribbon on the top right-hand side of the page. From there you can search by type of doctor and/or location. The online provider directory gives the provider's name, address, telephone numbers, professional credentials, specialty and board certification status.

For more information, you can also visit www.healthgrades.com. This site gives more information about providers, such as which medical school they attended and where they did their residency training. If you need help or do not have internet access, please call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

Mobile app

Get your health care information when you want it with the Aetna Better Health Mobile App. You can get instant access to the tools you need to stay connected with your health care. Download your free mobile app today in the iTunes App Store or Google's Play Store. With our mobile app, you can:

- Make sure that you only see Aetna Better Health providers
- Keep all appointments and be on time
- Cancel an appointment if you can't get there
- Follow Aetna Better Health and Kentucky Medicaid policies and procedures
- Follow the rules of your PCP's office or clinic (if you or others don't follow the rules, your provider can ask you to leave)
- Ask your PCP questions if you don't understand something about your medical care
- Tell the truth about yourself and your medical problems
- Report suspected fraud and abuse
- Tell the Department for Community Based Services (DCBS) or Social Security Administration (SSA) about changes to your name, address, and telephone number
- Notify DCBS or SSA if you have a change like a birth, death, marriage or obtain other insurance
- Learn the difference between an emergency and urgent care
- Understand your rights and responsibilities as a Kentucky Medicaid member

Disenrollment

We want you to be happy with Aetna Better Health of Kentucky. Please let us know about your problems or concerns. We can help you.

You may ask to stop your membership with Aetna Better Health for any reason if it's within 90 days of your first enrollment or reenrollment. You may ask to stop your Aetna Better Health membership "for cause" after the first 90 days. This means you have a special reason that you need to end your membership. Some examples of good cause are:

- You move out of our service area
- Your PCP is no longer in our network
- You lack access to covered services
- You can't access a qualified provider to treat your medical condition

You can ask to disenroll by filing a Grievance. To file a Grievance, write or call Aetna Better Health of Kentucky with your reason(s) for the request. If your request is approved, you will get a notice from Aetna Better Health of Kentucky that the change will take place by a certain date. Aetna Better Health of Kentucky will provide the care you need until then.

If your request to change is not approved by the Department based on your appeal, then you may request a State Fair Hearing. You must send a written request for a hearing to ask for disenrollment. The request must have the reason you are asking to be disenrolled. You can send it to:

Office of the Ombudsman and Administrative Review
Attn: Medicaid Appeals and Reconsiderations
275 East Main Street, 2E-O
Frankfort, KY 40621

Quality Member Access Committee (QMAC)

We need your help! Did you know that you, our member, can help decide how your health care services are provided? The QMAC is a group of members that can and do make a difference in the services and materials provided by Aetna Better Health.

The QMAC is looking for members to offer a point of view, understanding, concern and solutions directly to us. We appreciate your voice and time! QMAC members are reimbursed for travel and provided lunch. If a member cannot attend in person, a member can attend by phone. As part of the QMAC you can:

- Be part of the solution
- Have the opportunity to better understand why decisions are made
- Understand how those changes will directly affect your family and others just like you
- Share your experiences as a member of Aetna Better Health
- Be a part of an environment that requests and respects member input

Please consider becoming a member of the QMAC. We want your help. For more information about the QMAC or to get the meeting call-in number, please call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

Member satisfaction survey

Aetna Better Health conducts member satisfaction surveys at least once a year. You may receive this confidential survey by mail sometime this year. Please help us learn your opinions by filling it out. If you'd like a copy of the results, call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. Your responses to this survey will not affect your Medicaid eligibility. Our Member Services team is here to help make sure each member is treated fairly and able to exercise their rights.

Your medical records

Aetna Better Health keeps your personal and health information safe and private. We are required by law to give you the Notice of Privacy Practices. This notice explains your rights about the privacy of your personal information and how we may use and share your personal information. Changes to this notice apply to the information that we have about you. This also applies to any information that we may get or have in the future.

Our privacy policy also makes sure our staff is trained on privacy and security policies, which include verbal protection of your personal information. You may request a copy at any time.

Aetna Better Health and your providers make sure all your records are kept safe and private. We limit access to your personal information to only those who need it. We have proper protection for entry to our buildings and computer systems. Our Privacy Office also makes sure our staff is trained on our privacy and security policies.

To give the best service, we may use and share your personal information for treatment, payment and operations. We may limit the information Aetna Better Health shares about you as the law requires. For example, HIV/AIDS, substance use, family planning and genetic information may be further protected by law. Our privacy policies always follow the strictest laws.

In the provider's office, your records are labeled with your name and stored in a safe area so unauthorized individuals can't see your information. If your medical information is on a computer, a special password is needed to see that information.

Your medical record can't be sent to anyone without your written permission, unless required by law. When you ask your provider's office to transfer records, they'll give you a release form to sign. It's their responsibility to give this information to you. If you have problems getting your records or having them sent to another provider, please contact Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. They'll assist you in getting your records within 10 working days of your request.

You have a right to review your medical records. You may also ask that they be updated or corrected. If you'd like a free copy of your medical or personal records maintained by Aetna Better Health, you may call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. You can also ask for a blank form to fill out and send with a letter to Aetna Better Health. When Aetna Better Health receives your written request, we'll send you the requested records within 30 days. We'll let you know in writing if it will take longer. It should never take more than 60 days from the date of your written request.

Part 1 – First Things You Should Know

What is kynect?

kynect is a website, **kynect.ky.gov**, where you can apply for benefits like:

- Supplemental Nutrition Assistance Program (SNAP) – helps you buy healthy foods for you and your family
- Medicaid – helps cover medical care costs
- Kentucky Transitional Assistance Program (KTAP) – helps pay for basic needs like rent, utilities, and other household expenses

Checking benefit eligibility - You can use kynect to check if you may be eligible to receive benefits if:

- You are unsure if you qualify for benefits
- You are new to Kentucky's public assistance program
- You have never received benefits before

Simply select the benefits you would like to see if you qualify for and answer questions about yourself and your household.

How to Choose Your PCP

Primary Care Provider (PCP)

Your Primary Care Provider (PCP) is your health care provider who takes care of all your main health care needs. You can choose your PCP. Your PCP will see you for well care check-ups and medical problems. Your PCP is your medical home. A medical home helps make sure that the right medical care is available when you need it.

Get to know your PCP. It helps ensure that you get medical care from someone who knows you and from someone who you feel comfortable with. Your PCP will learn about your health to prevent or detect future illness. PCPs help keep you healthy by:

- Teaching you how to stay healthy
- Treating a health problem before it becomes serious
- Keeping immunizations up to date
- Providing care when you are sick

All members must select a PCP except:

- Pregnant women
- Dual-eligible members (those who have both Medicaid and Medicare)
- Adults who are under state guardianship

You will receive a printed directory of PCPs when you first enroll with us and you can also access the online Provider Directory at **[AetnaBetterHealth.com/Kentucky](https://www.aetna.com/betterhealth/kentucky)** at any time.

If you have not chosen or been assigned a PCP, you may go to any PCP in the Aetna Better Health network to receive care. Once you have chosen a PCP, this is who you should receive your care from.

Your PCP's name is on your member ID card. If you don't choose a PCP, we will choose one for you. If you're enrolled in the Supportive Managed Care Program a PCP will be chosen for you by Aetna Better Health of Kentucky.

How to Change Your PCP

To change your PCP, call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, or you can request the change through the Member Portal on our website at AetnaBetterHealth.com/Kentucky. If the member is a child, the member's parent or guardian may change the PCP. Support Managed Care Program members should ask to speak to the Supportive Managed Care Program Case Management Department to review your request to change your PCP. Please refer to page 5 for more information on the program.

If you choose a PCP who is not taking new patients, you will have to choose another PCP. If your family doctor is not part of Aetna Better Health's network, you'll have to choose someone else. (You can also ask if your family doctor would like to join our plan.) There are benefits to keeping your PCP. The better they get to know you, the better they can treat you. But there is no limit to the number of times you can change your PCP.

In some cases, your PCP may ask that you be removed from his or her practice. If this happens, you'll get a new PCP. Some reasons your PCP may ask for this change may be that:

- You and your PCP do not get along
- Your PCP cannot meet your medical needs
- You miss appointments

Aetna Better Health may also decide to change your PCP. We will notify you if this happens. We will also notify you if your PCP is no longer in our network. In this case, we will help you select a new PCP.

It's very important to show up for your scheduled appointments. If you can't go to your appointment, cancel the appointment at least 24-hours before the appointment. See page 42 for more information about getting rides to your appointments.

If your PCP is not in his or her office when you need care, just ask to see another provider in the group. There may be a provider on call that you could see.

If you have a serious condition or chronic illness, you may ask to have a specialist as your PCP. Specialists may act as PCPs for members with special needs. However, the specialist must agree to be your PCP. Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, to make this request.

How to Get Regular Health Care

You should get your care from your PCP, who is your medical home. Exceptions include these situations:

- Your PCP wants you to get care that is out of Aetna Better Health's provider network and Aetna Better Health pre-authorizes the service.
- You receive family planning services.
- You are seeking care for a foster child.
- You have an emergency.
- You are seeking behavioral health services.
- You are seeking direct access services such as those described in this handbook.

Care or supplies must be medically needed to be covered. Aetna Better Health reviews generally accepted standards of care to see if care meets these standards.

Call your PCP to make an appointment for a checkup

As soon as you get your Aetna Better Health Member ID card, make an appointment with your PCP for a checkup (even if you are not sick). This way, your PCP can get to know you and help you manage your health better.

Children should also see their PCP for well child checkups, shots and screenings as soon as possible. For well child checkups, shots and screenings, try to call your PCP two or three weeks ahead to get an appointment.

When you or someone in your family is sick and needs medical care, call your PCP. Your PCP can help arrange plans with other providers when you need special care.

If you need care after hours:

- Call the PCP's office to find out how to get care after hours. If it is not an emergency, leave a message.
- If you still cannot reach your PCP, call our 24-Hours Nurse Line at **1-855-620-3924 (TTY: 711)**.

Your PCP's phone number is on your Aetna Better Health Member ID card. You can change your PCP at anytime by calling us at **1-855-300-5528 (TTY: 711)**.

24-hour care

The office of your Primary Care Provider (PCP) is your medical home. Your PCP is the one who takes care of all of your main health needs. You can call your PCP 24 hours a day, 7 days a week, including weekends and holidays. For routine and urgent care, you should always call your PCP first.

In an emergency, call **911** or go to the closest emergency room. You may also call the 24-Hour Informed Health Line at **1-855-620-3924 (TTY: 711)**. A Prior Authorization is not required for emergency services.

How to Get Specialty Care

Referrals

Aetna Better Health does not require a referral from your PCP or OB/GYN before you see another Aetna Better Health provider unless you are a Supportive Care Program member. Your PCP is your medical home and should coordinate your care. You should call your PCP to tell him/her you are going to the other provider. Supportive Managed Care members must have a referral to see any provider except the one that they are already assigned.

You can obtain a listing of your local specialists by calling Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. You can also find a provider on the mobile app.

Out-of-Network Providers

Providers not in our network

In the case of an emergency, you may see any Medicaid provider. Additionally, you may see any Medicaid provider for a child in foster care when applicable or for family planning services.

You may go to a provider not in our network only if:

- The care is needed
- There are no Aetna Better Health providers to give the care in a timely manner
- Aetna Better Health has approved the care in non-emergencies

If your PCP wants you to see a provider who is not in Aetna Better Health's provider network, they must send us a written request.

We have the right to choose where you can get services when there is not an Aetna Better Health provider available to give the care you need. The provider not in our network who plans to give you care should request prior authorization to provide services. Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, with any questions.

Member notification of provider terminations

Aetna Better Health will be solely responsible for notifying members that a provider or provider group is no longer a participating provider. We'll notify members prior to the effective date of the termination.

When Aetna Better Health is provided advance notice of the termination, we'll mail members notice at least 30 days in advance.

When we don't receive advance notice, we'll mail members notice within fifteen (15) days of learning the provider is terminating. Members have 10 days to choose a provider or one will be chosen for them.

Emergencies

What is an emergency?

An emergency is a sudden injury or serious illness that if not treated right away, could cause death or permanent harm. If you're pregnant, it could mean harm to your health and the health of your baby. You don't have to go to an Aetna Better Health participating provider in an emergency, and you do not need a prior authorization for emergency services.

Some examples of an emergency are:

Trouble breathing	Poisoning
Broken bones	Severe or unusual bleeding
Convulsions, seizures or loss of consciousness	Severe burns
Chest pain	Suicidal or homicidal feelings
Deep knife wounds or gunshot wounds	Fever in newborn (less than 3 months old)
Pregnancy-related problems	Serious head, neck or back injury
Any vaginal bleeding in pregnancy	Severe abdominal pain
Signs of a stroke (including loss of vision, sudden numbness, weakness, slurred speech or confusion)	Signs of a heart attack (including chest pain)

If possible, call your PCP or the 24-hour Informed Health Line at **1-855-620-3924 (TTY: 711)**. If you cannot call, go to the nearest hospital emergency room or call **911**. If you're admitted to a hospital that isn't in Aetna Better Health's network, you may be transferred to a hospital in our network when your condition is stable if authorized by Aetna Better Health.

If you must stay in the hospital after an emergency, the provider must call Aetna Better Health within 24 hours. If that day is on a weekend or legal holiday, the provider must call by the end of the next working day.

Show your Aetna Better Health Member ID card to the providers and ask them to file the claims with Aetna Better Health. You should always follow up with your PCP after going to urgent care or to the ER.

Out of service area

If you're outside of our service area and need medical treatment, you're only covered for an emergency when seen at an emergency room. Outside of our service area means outside the Commonwealth of Kentucky. If you see a provider who is out of our service area and is not signed up with Medicaid, you may have to pay the bill. The provider must be willing to bill Aetna, get a Kentucky Medicaid ID number and call Aetna to approve care. If you're away from home and need to see a doctor, call Member Services at **1 855 300 5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

Post-stabilization care

This is medically needed care after an emergency condition is stable. Aetna Better Health doesn't require prior authorization for post-stabilization care.

Follow-up care

After an emergency, be sure to get any follow-up care from your PCP. Do not go back to the emergency room for this care.

Emergency services

Always carry your Aetna Better Health Member ID card. Know where to find your closest hospital emergency room. There is a list of hospitals with emergency services in your Provider Directory or call Member Services at **1-855-300-5528 (TTY: 711)**. If you see a provider who is out of our service area and is not signed up with Medicaid, you may have to pay the bill. You may have to pay for a non-Medicaid covered service if you agreed to pay for it in writing.

The provider must be willing to bill Aetna, get a Kentucky Medicaid ID number and call Aetna to approve care. Monday through Friday, 7 AM to 7 PM ET. You can also find a list online at **[AetnaBetterHealth.com/Kentucky](https://www.AetnaBetterHealth.com/Kentucky)**.

Medical Technology Committee

Aetna Better Health has a group of health care providers and health specialists that review new and existing drugs and technology. The group recommends what will and will not be covered.

This is done by a review of research and clinical guidelines. It's also done by looking at what other doctors are doing. Our doctors will work with your doctor to get you the care you need. We explain information in this handbook when there's a question about coverage. Looking at new methods allows us to make sure you have access to current, safe and effective health care.

Urgent Care

Urgent care is medically needed care for an unexpected illness or injury. If possible, call your PCP. If you're unable to receive urgent care from your PCP, you may need to get care at an urgent care center. If you have a true emergency, go to the hospital emergency room.

If you need help deciding if you have a care need that is urgent, please call our 24-hour Informed Health Line at **1-855-620-3924 (TTY: 711)**. The nurse can help you decide whether to get care at an urgent care center or wait for an appointment with your provider. If your PCP's office is closed, you might need to go to urgent care for your health care needs. Urgent care is for injuries or illnesses requiring immediate care, but not serious enough to go to the emergency room.

Some examples when you might need urgent care:

Accidents and falls	Sprains and strains
Moderate back problems	Breathing difficulties (i.e., mild to moderate asthma)
Urinary tract infections	Bleeding/cuts - not bleeding a lot but requiring stitches
Eye irritation and redness	Diagnostic services, including X-rays and laboratory tests
Skin rashes and infections	Fever or flu
Vomiting, diarrhea or dehydration	Severe sore throat or cough
Minor broken bones (such as fingers or toes)

Population Health Management

At Aetna Better Health of Kentucky, we understand that your needs are special to you. Our goal is to help you stay healthy and to make sure you stay involved in your health care. Our population health management program strives to address you and your family's needs in the following four key areas:

- Keeping you healthy.
- Supporting you if your health is at risk.
- Ensuring your safety.
- Helping you manage multiple chronic illnesses.

If you are interested in any of the above or have questions about any of these programs, just call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. Ask to speak to a care manager or look for us online at **AetnaBetterHealth.com/Kentucky**.

Care Management and Disease Management

Managing chronic illness can sometimes be difficult. Knowing who to contact, what test

results mean, or how to get needed services can be hard. Aetna Better Health of Kentucky's team of Care and Disease Managers are here to help our members, as well as their families, primary care providers and caregivers. We can help with changes and provide information, so patients and caregivers are better prepared and informed about health care decisions and goals.

If you have a chronic condition, such as low back pain, sickle cell anemia, hemophilia, HIV/AIDS, multiple sclerosis or other conditions such as high-risk pregnancy or neonatal concerns, a history of health problems, or problems following our rules for getting health care, we want to work with you and your PCP to meet your health care needs. Our Care and Disease Management

Teams can also offer assistance to quit smoking. Aetna Better Health has special programs for foster care children. To learn more about these programs, call Member Services at **1-855-300-5528 (TTY: 711)**.

The goal of care management is to help you reach your best level of wellness and fitness. Your care manager can help you find the right providers and services.

Aetna Better Health has special programs for our members with asthma, diabetes, congestive heart failure (CHF), chronic obstructive pulmonary disease (COPD), depression and coronary artery disease (CAD). These programs help you care for yourself through education, health coaching and special care. Care and Disease Management help you get the best care in the best way.

The Disease and Care Management team provides the following services:

- Aetna Better Health nurses and other health care staff will work with you to understand how you can best manage your condition.
- We'll help you regularly assess your health care status, book doctor appointments and connect you with community resources.
- You'll receive informational newsletters which provide updates on your condition.
- Education and informational materials will be provided to you to help you understand and manage the medications your provider has ordered.
- Information about events such as health fairs.

To make sure our records are up to date, our Care Management team will call new members to complete a health risk assessment.

If you would like to get Care Management or Disease Management services, or have any questions about these programs, call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. Ask to speak to a care manager or look for us online at **[AetnaBetterHealth.com/Kentucky](https://www.aetnabetterhealth.com/Kentucky)**.

If you don't want Care Management or Disease Management services, you can tell us by calling Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

Women's health care services

OB/GYNs provide health care services for women. This care is for the female reproductive system.

Covered services

- A gynecological exam each year for female members, age 13 or older, that includes: a breast exam, a pelvic exam and an annual pap smear (if indicated)
 - Screening mammograms using the following schedule:
 - One baseline screening for ages 35-39
 - One mammogram annually for ages 40 and over
 - Prenatal care
 - Aetna Better Health recommends pregnant women be HIV tested
 - Services to treat any medical condition that may complicate the pregnancy
 - Services for pregnancy and postpartum care
 - If a newborn and mother, or only the newborn, is released from the hospital less than 48 hours after the day of delivery, at least 1 follow-up visit is covered when within 48 hours after discharge
 - Hysterectomy, when medically needed
 - Prosthesis needed after a complete or partial removal of a breast for any medical reason
 - Reconstructive breast surgery performed along with, or after, a full or partial mastectomy. Inpatient hospital care is covered for at least 48 hours after a radical or modified radical mastectomy
 - Inpatient hospital care is covered for 24-hours after a total mastectomy or a partial mastectomy with lymph node dissection
- Inpatient hospital care for lengths mentioned above can be less if you and your provider agree on the shorter stay.

Mastectomy services

Your health care provider will work with you to decide the services best for you. This may include:

- All stages of rebuilding the breast on which the mastectomy was performed
- Surgery and rebuilding of the other breast so they look the same
- Prosthesis and treatment of physical problems of the mastectomy, including lymphedema

• Utilization Management (UM) program

The Aetna Better Health Utilization Management (UM) program ensures that you receive quality services that are medically necessary, meet professionally recognized standards of care, and are provided in the most effective and medically appropriate setting. Our program provides a system for prospective, concurrent, and retrospective review of services and treatments provided.

Our Quality Management/Utilization Management Committee (QM/UM) is comprised of Aetna Better Health participating providers, medical directors and management staff. Our QM/UM oversees the UM program. A doctor provides daily oversight of the UM program.

Behavioral health care

Behavioral health care services are to treat a member's mental health. This includes alcohol and substance use services. Covered services include:

Community Mental Health Center services	Partial Hospitalization Program services
Inpatient behavioral health services	Intensive Outpatient Program services
Substance Use Rehabilitation and Residential services	In-home behavioral health services
Our patient behavioral health services	Psychiatric Residential Treatment Facility services

Everyone should have the opportunity to be as healthy as possible. This includes your mental health. We have on-line tools in the member portal section that you can use to get information on wellness such as identifying depression, avoiding at-risk drinking, smoking cessation and healthy habits. Our tools are also available in print.

If you need behavioral health services, you can choose your own behavioral health providers. Your PCP may refer you for behavioral health services. You can find information on in-network behavioral health providers by visiting our website **[AetnaBetterHealth.com/Kentucky](https://www.aetna.com/better-health/kentucky)**. Click on the 'Find a Provider' ribbon on the top right-hand side of the page. From there you can search by type of behavioral health provider and/or location. The online provider directory gives the provider's name, address, telephone numbers, professional credentials, specialty and board certification status. Aetna Better Health of Kentucky can also help you find behavioral health providers and make appointments by calling Member Services at **1-855-300-5528 (TTY: 711)**.

Some behavioral health care is covered only when it has been pre-authorized (unless it is an emergency). Please make sure your provider checks the prior authorization list before providing you a behavioral health service. Inpatient care you get is reviewed during your stay. Your care will be covered as long as it's medically needed. If it's decided that all or part of your stay is not needed, the provider will be told that coverage will end.

If you miss a scheduled behavioral health appointment, your provider will contact you within 24 hours to reschedule the appointment. If you are receiving inpatient behavioral health services, before you leave your provider will schedule an outpatient follow-up appointment to occur within 7 days of your discharge.

In the case of a behavioral health emergency, you should call the Behavioral Health Crisis Hotline at **1-888-604-6106 (TTY dial 711, TDD dial 1-866-200-3269)**. It is open 24 hours a day, 7 days a week, 365 days a year. They can help you get the care you need.

Member liability

Federal law states that certain members may be responsible to pay for part of their care. This is called "member liability." Members who:

- Receive non-institutional hospice
- Live in a Psychiatric Residential Treatment Facility (PRTF) or a behavioral health or psychiatric hospital and are under age 21 or over age 64

The amount of member liability is based on the member's income. Members with low income may have to pay \$0. Other members with higher incomes may have to pay more. The Department for Community Based Services (DCBS) calculates the member's liability. Your DCBS case worker can help you better understand this process. We'll send you a notice before we apply member liability.

Adult immunizations

Aetna Better Health covers certain Adult Immunizations at your local, participating health department or pharmacy.

To find out if you are eligible for these and other vaccines that are available, please contact your provider or Member Services at **1-855-300-5528 (TTY: 711)**. You can also visit <https://www.cdc.gov/vaccines/schedules/hcp/imz/adult.html>.

The COVID-19 vaccination will be an important tool in stopping the pandemic. Getting vaccinated adds an important layer of protection for you, your family and your loved ones. Aetna Better Health is here to help, and Aetna members may be eligible to receive financial incentives for getting the vaccine. To learn more about the COVID-19 vaccination, contact your provider or Member Services at **1-855-300-5528 (TTY: 711)**.

Dental care

Aetna Better Health covers basic dental services for adults and children under the age of 21. Children living in Kentucky must get a dental exam before they start kindergarten. Aetna Better Health contracts with Avesis to provide dental, oral surgery or orthodontic services for our members.

Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, to find out how to get care. You may also look in your Provider Directory or online at **AetnaBetterHealth.com/Kentucky** under Find a Provider.

Eye care and eyeglasses

Aetna Better Health covers certain vision services for members. Children living in Kentucky must get an eye exam before they start kindergarten. Children are eligible for eyeglasses once a year with a prescription. As a bonus benefits, adults can get a free pair of eyeglasses every two years.

Aetna Better Health contracts with Avesis to provide vision and eye care services for our members. Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, to find out how to get care. You may also look in your Provider Directory or online at **AetnaBetterHealth.com/Kentucky** under Find a Provider.

Radiology and cardiology services

Aetna Better Health contracts with eviCore to provide radiology benefit management for our members. It's necessary for your provider to get prior authorization from eviCore to perform the following outpatient non-emergency diagnostic tests:

- MRI - Magnetic Resonance Imaging
- PET - Positron Emission Tomography
- CT - Computed Tomography
- CCTA - Coronary Computed Tomography/Angiography
- Stress echo cardiogram
- Nuclear Cardiology
- MUGA - Multiple Gated Acquisition Scan
- Obstetric Ultrasounds

Your provider doesn't need to prior authorize the following non-emergency advanced diagnostic tests:

- Inpatient advanced radiology services
- Observation setting advanced radiology services
- Emergency room radiology services

Once the diagnostic test is over, eviCore will contact you directly to help you select a facility/location and schedule your appointment. If you're unable to speak with a radiology representative, you'll receive a letter through the mail with the facility name and location. Your provider will give you an order for the test to present at the time of your appointment.

Family planning services and supplies

Family planning services includes birth control counseling and supplies. Aetna Better Health covers family planning for members of child-bearing age. You don't need to ask your PCP before getting this care.

Appointments for counseling and medical services shall be available as soon as possible within a maximum of 30 days.

If it is not possible to provide complete medical services to Members less than 18 years of age on short notice, counseling and a medical appointment shall be provided right away preferably within 10 days. Any care you receive is kept private.

If you don't want to talk to your PCP about family planning, call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. We can help you choose a family planning provider and assist with scheduling. You may get family planning services and supplies from an Aetna Better Health provider or a provider not in our network.

Non-covered pharmacy services

The following items aren't covered by Aetna Better Health benefits:

- Medications that aren't effective or are not safe
- Medication used for weight loss or weight gain
- Medications used to promote fertility
- Cosmetics or products used for hair growth
- Medications used for treatment of sexual dysfunction
- Experimental medications that have no proven medical benefits

Tobacco cessation

If you're a smoker, have a history of smoking, or use other types of tobacco, we want to work with you to help you stop. Aetna Better Health has a program that is designed to help you if you're ready to quit smoking. This service is provided over the phone. You can get help in the form of patches, gum or medications. Nicotine Replacement Therapy (NRT) is available to you with a prescription from your primary care provider. If you would like assistance with smoking cessation please call at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET and ask for Care Management. You may receive text messages from Aetna Better Health providing you with resources to help you quit. You can opt out of these text messages at any time.

The Commonwealth of Kentucky also has a free program. Always talk to your doctor before starting any new program. For more information on this free program, call Quitnow Kentucky at **1-800-QUIT-NOW (1-800-784-8669)**.

High-risk prenatal services

Aetna Better Health provides care management for high-risk members who are pregnant. The PCP or OB/GYN and Aetna Better Health work together to decide if a member needs these extra services.

The following are additional covered services for pregnant women:

- Diet review and counseling by a registered dietitian
- Coordination of community resources (childbirth and parenting classes)
- Breast pumps
- Obtaining long-term care services
- Follow-up to be sure a member gets needed care
- Guidance and support
- Blood glucose meters
- Testing for HIV
- Remote monitoring programs to support you during your pregnancy

How to Get Long Term Care Services

If you need services at a nursing facility for long-term care, we will help you. Call us if you need long term care services for more than 30 days. Aetna Better Health will work with the Cabinet for Health and Family Services to disenroll you from managed care and make sure you get the services you need.

Outpatient services

Outpatient services include:

- Preventive care
- Medical tests
- Care to help you heal

You should tell your PCP when you receive outpatient services. You can get the care at hospital outpatient departments, clinics, health centers or doctors' offices in Aetna Better Health's Provider Network. You can find the list online at **[AetnaBetterHealth.com/Kentucky](https://www.aetna.com/betterhealth/kentucky)**.

Inpatient hospital care

When you don't have an emergency, we must authorize your stay BEFORE you go to the hospital. You must go to a hospital that is an Aetna Better Health participating provider unless authorized by us to go to a hospital not in our network. You'll be under the care of your PCP or other doctor to whom your PCP has sent you.

Provider services

We cover care that's given by an Aetna Better Health provider when it's medically necessary. You may receive the care in the provider's office, a hospital, a clinic, or any other place needed to treat an illness, injury or disease. You may also receive family planning, maternity care, EPSDT well-child screenings or other preventive care. Regular health exams are covered for adults.

Prescription drug benefit

Your drug benefit is provided by Aetna Better Health KY and Kentucky Medicaid.

Starting on July 1, 2021 we will work with a pharmacy benefit manager (PBM), MedImpact Healthcare Systems, Inc., that will serve all members in managed care. Their member service team is available 24 hours a day, 7 days a week by calling **1-800-210-7628**.

Your ID card has important information for your pharmacy. If you do not have your new ID card you can still go to the pharmacy. Tell them you have Medicaid and the pharmacist can call MedImpact to get the needed information. Before you go, make sure the pharmacy accepts KY Medicaid. To find a pharmacy or see what is covered, go to <https://kyportal.medimpact.com/>.

For any questions on your pharmacy coverage prior to July 1, 2021 please contact **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

Aetna Better Health covers prescription medications that are on the State's single preferred drug list, also called a formulary. Take your prescription and Aetna Better Health Member ID card to a Medicaid-enrolled pharmacy.

If you have Medicare or other insurance, you must show that ID card as well. Aetna Better Health doesn't pay for drugs that haven't been approved by the Federal Drug Administration (FDA). You can find out if your medicines are on the Preferred Drug List in one of two ways:

- Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.
- Go online to see the list of covered drugs at:
https://kyportal.magellanmedicaid.com/public/client/static/kentucky/documents/PreferredDrugGuide_full.pdf
- **Note: You cannot be reimbursed for out-of-pocket pharmacy expenses.**

Prescription exceptions request

If your medicine isn't on the State's single preferred drug list, ask your provider if there's one on the drug list you can use. If not, your provider must ask for a prescription exception. MedImpact will decide after review and if necessary, after talking with your provider, decide if the drug on the drug list will not work for your medical condition. If your provider doesn't ask for the exception, Aetna Better Health may not pay for it. MedImpact will review the medical exception request within 24 hours. If this deadline is not met, the pharmacist may give you a three-day supply of the drug, except for opioid pain medicine. If MedImpact does not approve your medical exception, they will tell you in writing. MedImpact will also tell you how to start the complaint/appeal process.

Over-the-counter medicines

Sometimes your provider may want you to take over-the-counter (OTC) medicines. Like other drugs, your doctor must give you a prescription for over-the-counter medicines to take to the pharmacy. You cannot be reimbursed for out-of-pocket pharmacy expenses. You can find out if your over-the-counter medicines are covered by visiting the Medicaid Member Portal at

https://kyportal.magellanmedicaid.com/public/client/static/kentucky/documents/KY_Covered_OTC_DrugList.pdf

Prior authorization for Some Medications

If your medicine requires prior authorization, you can:

- Ask your provider for a similar drug that does not require prior authorization
- Ask your provider to contact MedImpact to start the prior authorization process. Your provider will know how to do this
- MedImpact will review your provider's request within 24 hours. Your pharmacist may give you a three-day temporary supply of the medicine (except for opioid pain medicine) while your provider tries to get it approved.
- MedImpact will tell you in writing if they did not approve the request. They will also tell you how to start the complaint/appeal process.

Step therapy (ST)

Some drugs aren't approved unless another drug has been tried first. ST coverage requires that a trial of another drug be used before a requested drug is covered.

Quantity limits

Some drugs have limits to the number of doses you may get. This is called a quantity limit. The Food and Drug Administration (FDA) decides safe dose limits. For a partial list of the services we cover and to see what approvals are required, you can call Aetna Better Health's Member Services at **1-855-300-5528 (TTY: 711)**.

The pharmacist will fill your prescription according to FDA safe dosing limits. They will do this even if your provider wrote the prescription for more than the recommended FDA safe dosing limits.

The pharmacist won't give you more medicine if your provider doesn't get it prior authorized. The pharmacist will ask your provider to call MedImpact first.

Brand-name drugs instead of generic alternatives

Aetna Better Health pays for brand and generic drugs, when preferred by the State's single preferred drug list. If your provider wants you to have a non-preferred brand-name or generic drug on the State's single Preferred Drug List, they must ask for a prior authorization. MedImpact will review the request.

If MedImpact does not approve the request for the preferred brand-name or generic drug, they will tell you in writing. MedImpact will also tell you how to start the complaint/appeal process.

Medicines that are not on our drug list when enrolled

If your drugs aren't on the State's single preferred drug list when you're enrolled with Aetna Better Health, you may take your medicine for 30 days after you enroll with us. Your provider should change your medicine to one on the State's single preferred drug list or submit a prior authorization. If MedImpact does not prior authorize the exception, they will tell you in writing. MedImpact will also tell you how to start the complaint/appeal process.

Changes to our drug list

The Department of Medicaid Services (DMS) may need to make changes to the State's single preferred drug list from time to time. If you're taking a medicine that will be removed from the State's single preferred drug list, we'll tell you in writing at least 30 days before it is removed. You can also access the updated single preferred drug list online at:

https://kyportal.magellanmedicaid.com/public/client/static/kentucky/documents/PreferredDrugGuide_full.pdf

Second medical opinions

You can ask for a second opinion for an illness, surgery or treatment that your PCP says you need. You can call your PCP or Member Services at **1-855-300-5528 (TTY 711)**, Monday through Friday, 7 AM to 7 PM ET, for help getting a second opinion.

There is no cost to you for second opinions administered by our providers or providers not in our network. All second opinions by providers not in our network require prior authorization from Aetna Better Health.

Translation or interpreter services

If your primary language is not English or you have a hearing impairment, we'll help you get interpreter services. This service is free. Tell your doctor that you need a spoken language translator or sign language help and they will contact us.

If you need to contact us about your benefits and your primary language isn't English, we'll contact our language line service, which will translate for you. If you have a hearing impairment, you may use either TTY or TDD services (TTY: 711). We'll work with our members who are deaf to determine their preferred method of interpretation and give priority to meeting those requests.

How to get transportation

- **Emergency transportation:** Call 911 or the closest ambulance service.
- **Non-emergency transportation:** Kentucky Medicaid will pay to take some members to get medical services covered by Kentucky Medicaid. If you need a ride, you must talk to the transportation broker in your county to schedule a trip.

Each county in Kentucky has a transportation broker. You can only use the transportation broker for a ride if you can't use your own car or don't have one. If you can't use your car, you have to get a note for the transportation broker that explains why you can't use your car.

If you need a ride from a transportation broker and you or someone in your household has a car, you can:

- Get a doctor's note that says you can't drive
- Get a note from your mechanic if your car doesn't run
- Get a note from the boss or school official if your car is needed for someone else's work or school
- Get a copy of the registration if your car is junked
- Kentucky Medicaid doesn't cover rides to pick up prescriptions

For a list of transportation brokers and their contact information, please visit

www.chfsky.gov/dms/ or call Kentucky Medicaid at **1-800-635-2570**. For more

information about transportation services, call the Kentucky Transportation Cabinet at **1-888-941-7433**.

The hours of operation are Monday through Friday, 8 AM to 4:30 PM ET and Saturday 8 AM to 1 PM ET. If you need a ride, you have to call 72 hours before the time that you need the ride. If you have to cancel an appointment, call your broker as soon as possible.

You should always try to go to a medical facility that is close to you. If you need medical care from someone outside your service area, you have to get a note from your PCP. The note has to say why it is important for you to travel outside your area. (Your area is your county and the counties next to it).

If you're in a wheelchair, or if you can walk but get disoriented, you may choose a transportation company that can meet these special needs.

Contact your broker to see what special needs companies are available. You have to get a note from your PCP. The note has to say why that type of transportation is needed.

Please note: KCHIP III children do not get non-emergency transportation.

Rewards programs (Aetna Better Health and SKY)

Aetna Better Way to Health Incentive Program

Members can earn gift cards after completing the following checkups:

- \$10 gift card for completing a dilated retinal exam for adults 18–75 years old
- \$20 gift card for completing a follow-up visit with a behavioral health practitioner within 7 days of discharge after a hospitalization for mental illness (6 years of age or older)
- \$25 gift card for members who are pregnant or newly enrolled. Complete a Health Risk Assessment (HRA) within the first 30 days of enrollment. Limit one incentive per eligible member.

Maternity Matters

Cribs for Moms program

You can earn rewards for seeing your doctor regularly during your pregnancy. When you find out you are pregnant, call Member Services at **1-855-300-5528 (TTY: 711)** to enroll and ask to enroll in the Maternity Matters Program. Aetna Better health offers a free portable crib incentive for pregnant members at 37 weeks of pregnancy. You can also earn a \$25 gift card for your initial prenatal visit and a \$10 gift card for each subsequent prenatal visit (up to 10 visits). The gift card can be used to purchase maternity supplies such as diapers and wipes.

You'll get a \$25 gift card if you complete the following:

- Complete your post-partum visit. This visit must be within 7-84 days after your baby is born.
- You may be eligible for help with transportation for the entire family that includes a car seat for children. This benefit is limited to 10 roundtrips (up to 60 miles total per roundtrip) per year. For additional details or questions for any of these programs, call Member Services at **1-855-300-5528 (TTY 711)**, Monday through Friday, 7 AM to 7 PM ET.

Services NOT Covered (if you get a bill)

If Aetna Better Health denies a procedure, service or prescription, you or your PCP may request an appeal. You do this by sending a request to Aetna Better Health's Appeals department.

See page 50, "Appeals and grievances," for more information. The following services are not covered by Kentucky Medicaid:

- Any laboratory service performed by a provider without a current certification under the Clinical Laboratory Improvement Amendment applies to all facilities and individual providers of any laboratory services
- Cosmetic procedures or services performed only to improve appearance
- Hysterectomy procedures performed only to sterilize (prevent pregnancy)
- Medical or surgical treatment of infertility (reverse sterilization, in vitro fertilization, etc.)
- Induced abortion for a reason other than the mother's life is in danger, or in the case of rape or incest
- Paternity testing
- Personal services or comfort items
- Post-mortem services
- Services, including but not limited to drugs, that are investigational, mainly for research purposes or experimental
- Sex change services
- Sterilization of a mentally incompetent or institutionalized member
- Services that a member isn't required to pay and no other person is legally responsible to pay

How our Providers are Paid

Filing claims

If you obtain services from an Aetna Better Health provider or another Medicaid provider, your claims will be filed for you by the provider. Medicaid providers are not allowed to bill you for Medicaid services. If you see a provider who is out of our service area and is not signed up with Medicaid, you may have to pay the bill. You may have to pay for a non-Medicaid covered service if you agreed to pay for it in writing. For more info, see the "Out of Service Area" section on page 23.

If you receive a bill from a Medicaid enrolled provider for Medicaid services, please contact Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

We will pay for medically necessary, authorized health care you have paid for, up to the amount allowed by Medicaid. We must receive all claims within 365 days after the date of service.

Incomplete forms will not be processed.

Early and Periodic Screening, Diagnosis and Treatment (EPSDT)

EPSDT is a federal benefit for children from birth up to age 21, who are eligible for Medicaid or the Kentucky Children’s Health Insurance Program (KCHIP).

Our EPSDT team is here to help children from birth to ages 21 get the care the EPSDT screenings and services they need. This includes age appropriate health screenings, immunizations, vision, dental, hearing, lead testing and screening, and any other medical services that may be necessary. Our EPSDT team sends monthly birthday reminders to let you know that your child is due for one of the EPSDT services. Our EPSDT team can call you to help you schedule your child’s doctor visit and assist with transportation to appointments as needed.

If your child needs additional services, we may cover them. EPSDT special services covers medically necessary services not normally covered by Medicaid.

This may include medical supplies and special equipment; dental services not normally covered; allergy serum and shots; and behavioral health services not normally covered. These EPSDT Special Services require prior authorization. Your provider will ask for this prior authorization. KCHIP III children are not eligible for EPSDT special services or for help with non-emergency transportation.

Children should get checkups regularly, at the ages listed below.

Ages recommended for well-child checkups

3–5 days after birth	12 months
By 1 month	15 months
2 months	18 months
4 months	24 months
6 months	30 months
9 months	1 time per year between ages 3 and 20

Sick visits don’t take the place of routine screening visits.

Children need shots that help their bodies fight disease. Each shot fights a different disease.

Children must have a record of these shots in order to begin school. You may be required to give this information when you enroll your children in school.

Children should get each shot at the ages given in the chart below. Some shots need to be given more than once.

Immunization chart (shots)

Service Authorization and Actions

Benefits offered by the State

Most Medicaid services will be provided by Aetna Better Health of Kentucky. Some services will still be provided by Kentucky Medicaid. You will use your Medicaid ID card for these services. These services are:

- **First Steps** - A program that helps children with developmental disabilities from birth to age 3 and their families, by offering services through a variety of community agencies. Call **1-877-417- 8377** or **1-877-41-STEPS** for more information.
- **HANDS** (Health Access Nurturing and Development Services) - This is a voluntary home visitation program for new and expectant parents. Contact your local health department for information and to learn about resources.
- **Non-emergency medical transportation** - If you cannot find a way to get to your health care appointment, you may be able to get a ride from a transportation company. Call 1-888-941-7433 for help or see <http://chfs.ky.gov/dms/trans.htm> for a list of transportation brokers or companies and how to contact them.
- **Services for children at school** - These services are for children from 3 to 21 years of age, who are eligible under the Individuals with Disabilities Education Act (IDEA) and have an Individual Education Plan (IEP). These services include speech therapy, occupational therapy, physical therapy and behavioral (mental) health services. Call **502-564-9444** for more information.

Direct access services

Direct access to care means you can get the covered services below from any Aetna Better Health provider of your choice without needing a referral.

- Primary care vision services, including one pair of eyeglasses for adults every two years; also includes getting glasses fitted
- Primary care dental and oral surgery services and evaluations
- Family planning
- Maternity care for members under 18 years of age
- Immunizations for members 19 and over at pharmacy or health department
- Sexually transmitted disease screening, evaluation and treatment are available from your PCP or public health departments
- Tuberculosis screening, evaluation and treatment
- Testing for HIV, HIV-related conditions and other communicable diseases
- Chiropractic services
- Women's health specialists

For members with special health care needs, direct access to a specialist is not restricted.

Prior Authorization and Timeframes

Aetna Better Health must approve some health care services and supplies before you get them. This is called prior authorization. Aetna Better Health follows nationally recognized guidelines for the care your provider suggests.

These guidelines are used to make prior authorization decisions. Some services that need prior authorization are listed below. Your provider can get a full listing of services that need prior authorization on the Aetna Better Health provider portal. This list may change from time to time. Call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, to request the most current list.

Prior authorization list

Your provider must check if a prior authorization is required before providing you a service. Some items that require prior authorization are:

- All inpatient services, including psychiatric, skilled nursing facilities and rehabilitation
- All physical health services provided in the home
- All services administered by Medicaid providers not in our network (except an emergency)
- Purchase of durable medical equipment, prosthetics and supplies costing more than \$500
- Durable medical equipment rentals
- Dental anesthesia (in an outpatient facility)
- Transplant services, including transplant evaluation*

- Some behavioral health and substance use services (not emergencies)
- All enterals and metabolic foods
- Some vision services
- Some dental services
- Chiropractic visits after the first 12
- Some radiology services (CT scans, MRIs, PET scans)
- Cardiology services
- Most surgical procedures
- Pain management services
- Physical therapy

*An Aetna Better Health network provider may not be in the transplant network. Please work with your Aetna Better Health transplant case manager to choose a provider.

The following table lists the timeframes used when we make our decision on the prior authorization.

Type of Decision	Decision	Initial Notification	Notification Method
Urgent prior authorization	2 business days from receipt of request*	2 business days from receipt of request	Oral and/or written, dependent on type of notification
Non-urgent prior authorization	2 business days from receipt of request*	2 business days from receipt of request	Oral and/or written, dependent on type of notification

*The timeframes for decisions and notification may be extended if additional information is needed to process the request.

If we need more information to make a decision, we'll request it from your provider within the timeframes in the above table. The provider has 14 days to submit the additional information for prior authorization requests. We will also notify our members of requests for more information on the date we request it from the provider.

- If the provider sends the additional information within 14 days, we will approve or deny the service and notify our member, member's PCP and requesting provider according to the timeframes in the table above.
- If we don't receive the requested information within 14 days, we will approve or deny the service based upon the available information and notify the member, member's PCP and requesting provider according to the timeframes above.

Appeals and Grievances

Please be sure to read this section. It's important that you know how to tell us if you're unhappy. The steps to follow are below.

Complaints (Grievances)

You can file a complaint at any time if you're not happy with our service. Filing a complaint means you're letting us know about services with which you're not happy. You can call or write us at any time. Our phone number is **1-855-300-5528 (TTY: 711)**. Our hours are from 7 AM to 7 PM ET. We're open Monday through Friday.

If you want to write to us about your problem, your letter should include:

- Your name
- Your member ID number
- Your mailing address and phone number
- A description of what you're upset about and how you'd like us to fix it
- You can also have someone else act on your behalf. This person is your authorized representative. This person may be:
 - Your provider
 - Your legal guardian
 - Relative
 - Friend
 - An attorney
 - Other person

You have to give written permission to the person that allows them to file a complaint for you. Mail your letter to us at the address below:

Complaint and Appeal Department
Aetna Better Health
Attn: Complaint and Appeal Department
PO Box 81139
5801 Postal Rd
Cleveland, OH 44181

You can also call us at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET. We'll send you a letter letting you know we got your complaint within 5 working days. We'll send you a letter to let you know what we did about your problem within 30 calendar days of the date we get your letter or call.

We'll never punish or discriminate against you or your provider or take any negative action against either of you in any way for filing any kind of appeal or complaint.

Appeals

If Aetna Better Health makes a decision you don't agree with, you can file an appeal. If you file an appeal, it means you want us to review a decision we made about your care. Call us or mail us your appeal. If you want to call, our phone number is **1-855-300-5528 (TTY: 711)**. We're open Monday through Friday, 7 AM to 7 PM ET. You can also mail your appeal to us at the address below. You have to get your letter to us or call us within 60 calendar days of the day you got our denial letter. Mail to:

Aetna Better Health
Attn: Complaint and Appeal Department
PO Box 81139
5801 Postal Rd
Cleveland, OH 44181

If you call us to tell us about your appeal, we'll also need you to send in a written appeal. When you call, we can send you a form to fill out. You can fill out the form or just write us a letter. When we send you the form, we'll also include a postage-paid envelope for you to use. You must send us your letter or form within 10 calendar days from the date on the letter that comes with the form.

In your letter, be sure to tell us any details you want us to consider in your appeal review, including why you think we should change our decision. Your letter must also include:

- Your name, phone number, member ID number and mailing address.
- Your doctor's name.
- The date of the service you want.
- Any information or documents you have that might help change our mind within a reasonable time period. We will tell you in the letter acknowledging your appeal what that time frame will be.
- At any point before or during the appeal process, if you or your representative want to see the case file, medical records or any other documents and records, you may request a copy free of charge.

You can do the appeal, or you can ask someone to do it for you. You can choose anyone you want, including a friend, your doctor, a legal guardian, a relative or an attorney. If you pick a person to do the appeal for you, that person is your Authorized Representative. You must write us a note with the name of the person who will speak for you. Be sure to sign it.

You can also fill out a consent form to let the person you chose speak for you as your Representative. We'll send you the form. Just call us at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

After we get your appeal, we'll send you a letter within 5 working days to let you know we got it. In the letter, we'll tell you how you can participate in a meeting to talk about your appeal. The letter will have the date of an appeal meeting. This is when we'll go over your case. When you send us your letter, let us know if you want to come to the appeal meeting. You can attend in person or by phone. At least one person who wasn't involved in the first decision to deny the service will look over the appeal. If your appeal is about something medical, a doctor who is licensed will also look at your case.

The doctor that looks at the case will have an understanding of the kind of care you need. If your appeal isn't about something medical, it's called an administrative appeal. A committee that includes at least one doctor will look at the case during a meeting.

In most cases, we'll make a decision about your appeal within 30 calendar days from the date we get it. We may need 14 more days to finish your case. We only take extra time if it'll make things better for you. We'll send you a letter at least two days before your appeal is due to be finished to let you know if we need the extra time.

You can file a complaint if you don't agree with us using the extra time. You can also ask us to hold your appeal for 14 more days if you need time to give us more details.

Expedited (faster) appeals

There's a fast appeal process called an expedited appeal. You can ask for an expedited appeal if your life or health could be harmed by us taking the normal time to finish your appeal. Call us at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET, to let us know if you need an expedited appeal. You do not have to submit your request for an expedited appeal in writing.

If your expedited appeal request meets the guidelines, we'll make a decision within 72 hours from when we got your request. After you let us know you want an expedited appeal, if you find that you have more information you want to send us for the appeal review, you have 24-hours to get it to us. If your request to expedite the appeal isn't approved, we'll call you to let you know. Then we'll process your appeal just like a normal appeal.

We'll send you a decision on the case within 30 calendar days. You may ask for another 14 calendar days to give us more information. Aetna Better Health may also need more information. We'll send you a notice if there's a delay that you didn't request.

We'll never punish or discriminate against you or your provider or take any negative action against either of you in any way for filing any kind of appeal or complaint.

If you're unable to file a written appeal or complaint on your own, you may call Member Services. We'll take the information and complete the complaint or appeal for you. Member Services can provide free copies of information about your complaint or appeal.

If we change our decision after reviewing your appeal or expedited appeal, we will approve your request within 72 hours of the decision.

Provider appeals

Your provider also has the right to appeal and request further review of a decision they don't agree with. These rights and procedures are determined by state law and policies set by the Kentucky Department of Medicaid Services.

Please see our website at **AetnaBetterHealth.com/Kentucky** or contact Member Services for further information.

If you don't agree with our decision on your appeal, you can ask the state to look at your case by writing them a letter. This is a State Fair Hearing. The state's rules say you must wait for your appeal to be finished before you can have a State Fair Hearing.

Your benefits during the appeal or State Fair Hearing process

When you ask for an appeal, you can continue to receive your benefits. If you want to continue to receive your benefits, you must let us know by calling Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET or sending us a letter.

We have to receive your letter within 10 days of the date on the decision letter we sent you before your appeal. You can also continue your benefits during a State Fair Hearing. If you want to continue your benefits, you must let us know by calling Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET or sending us a letter.

You need to let us know within 10 days of the date on the decision letter we send you at the end of your appeal.

You can request that we continue your benefits if:

- You write or call us to ask for an extension of your benefits
- Your appeal is about a service we stopped (temporarily or permanently) or a service that was authorized before, but has now been reduced in amount
- An authorized provider ordered the service
- The authorization period hasn't expired for the service

Aetna Better Health
Attention: Complaint and Appeal Department
9900 Corporate Campus Dr., Suite 1000
Louisville, KY 40223

If you need more information about the types of services covered or the need for approval on services, call Member Services at **1-855-300-5528 (TTY: 711)**, Monday through Friday, 7 AM to 7 PM ET.

At the State Fair Hearing, if the hearings officer doesn't agree with your claim and still denies your request, you may have to pay for continued services. You won't have to pay until the State Fair Hearing decision is final.

We'll never punish or discriminate against you or your provider or take any negative action against you because you filed any kind of appeal, State Fair Hearing or complaint.

State Fair Hearings

To qualify for a State Fair Hearing, your letter should:

- Be mailed or filed within 120 days from the date on the most recent appeals determination letter we sent you
- Explain why you need a State Fair Hearing
- Give the date of service and kind of service we denied
- Include a copy of the last appeal decision letter you got from us

A state employee called a hearings officer is in charge of your State Fair Hearing. The hearings officer will send you a letter with the date and time for your hearing. The letter will also explain the hearing process. If you do not want to speak or are unable to speak for yourself, you can choose someone to speak for you at the hearing.

If you filled out a consent form for the appeal, they'll be able to speak for you. If you didn't, you can still call us to get one for the State Fair Hearing.

To request a State Fair Hearing, you should send your letter to:

Office of the Ombudsman and Administrative Review
Attn: Medicaid Appeals and Reconsiderations
275 East Main Street, 2E-O
Frankfort, KY 40621

You can request the State Fair Hearing or you can ask someone to do it for you. You can choose anyone you want, including a friend, your doctor, a legal guardian, a relative or an attorney to speak for you. If you pick a person to do the State Fair Hearing for you, that person is your Authorized Representative. If you didn't already do so during the appeal, you must fill out a consent form to let someone else speak for you.

Part 3 – Other Advance Directives

You have the right to make decisions about your medical care. An advance directive documents your health care decisions when you cannot speak for yourself. It tells your provider what future health care wishes you have if you are too sick to tell anyone yourself. This is the only time the advance directive is used. Your provider has the responsibility to discuss Advance Medical Directives with you at the first medical appointment and document that discussion in your medical record.

Advance directives can include a living will or durable power of attorney for health care. Your advance directive is included in your medical records. You should tell your provider if you have certain moral and/or religious beliefs that would stop you from making advance directives.

Your doctor or other health care provider should write down your objections to making advance directives and make this a part of your medical records.

Members should do the following when preparing an advance directive:

- Sign and date your advance directive
- Obtain signatures of two (2) witnesses, in accordance with state law
- Give a copy of the advance directive to your doctor so it can be put in your medical record
- Keep a copy for yourself
- Take a copy with you when going to the hospital or ER

Aetna Better Health will tell you within 90 days if rules about advance directives change. You, or your authorized representative, may file a complaint if your advance directive is not followed.

You may send your complaint to the:

Director, Division of Health Care Cabinet for Health and Family
Services 275 East Main Street, 5 E-A
Frankfort, KY 40621-0001

or

Inspector General

Member fraud and abuse

Medicaid fraud can be:

- Lying or holding back information when you sign up to be a member of Kentucky Medicaid or KCHIP
- Letting someone else use your Aetna Better Health Member ID card
- Not telling the Social Security Administration (SSA) or the Department for Community Based Services (DCBS) about changes in income and family status
- Not telling Kentucky Medicaid that you have other insurance

Medicaid abuse can be:

- Too many emergency room visits for conditions that are not emergencies
- Using pain medicines that you do not need
- Getting prescriptions that you do not need
- If you commit Medicaid fraud, you:
 - Must pay back any money Medicaid paid for you to get services
 - Could be prosecuted for a crime and go to jail
 - Could lose your Kentucky Medicaid benefits for up to a year

Provider fraud

Providers can commit fraud many different ways. Provider fraud, like member fraud, takes money from those who need it. Because of this fraud, there is less money to treat members who need medical help. You can help stop provider fraud. Keep a record of:

- Medical services you get
- When and where the service takes place
- Name of the person who takes care of you
- Any other services ordered by the provider
- Some examples of provider fraud are:
 - Billing for services that you did not get
 - Making an appointment for a return office visit when you do not need one
 - Taking X-rays, doing blood work, etc. that you do not need
 - Billing for services that someone else in the office actually performed (charging you too much for those services)
 - Billing for more time than the service took
 - Adding extra names to your bill (for example, a family member) and billing for those
 - Taking money from another provider to refer you to him/her

Reporting Medicaid fraud

If you think someone has committed Medicaid fraud or abuse, call Medicaid's Fraud and Abuse Hotline at **1-800-372-2970** or Member Services at **1-855-300-5528 (TTY: 711)**. Everything you say is private.

Third Party Liability (TPL)

We need to know if you have other health insurance along with Medicaid. Contact Aetna Better Health of Kentucky if you have other insurance coverage or lose insurance coverage from another plan. Call Aetna Better Health of Kentucky's Member Services Department at **1-855-300-5528 (TTY: 711)**.

When you have other health insurance, your provider should always bill that health insurance first. Medicaid always pays last. This is called Third Party Liability (TPL). If Aetna Better Health of Kentucky pays the bill when you have other health insurance, your other health insurance will have to pay the money back.

If you file a lawsuit or otherwise recover expenses from any other source, you or your attorney must notify Aetna Better Health of Kentucky. For questions about TPL, call **1-855-300-5528 (TTY: 711)**.

Examples of other insurance are:

- Personal health insurance
- Veteran's coverage
- Worker's compensation
- Auto insurance to cover injury due to an auto accident
- Recover expenses from a lawsuit or from any other source due to an injury, disease or disability
- Insurance that pays you if you have cancer, heart disease and other disabilities
- Student health insurance policies
- Sports health insurance policies
- Medicare

Reporting accidents

You must also report if you get hurt at your job or have an accident. Call Aetna Better Health's Member Services at **1-855-300-5528 (TTY 711)**, Monday through Friday, 7 AM to 7 PM ET.

Health Insurance Portability and Accountability Act (HIPAA)

Your health information is personal. HIPAA rules give you the right to control your personal health information (PHI). Any health information that can be used to identify you is protected health information.

Anyone who takes part in your medical care can see your PHI. Everyone who handles your health information is legally required to protect the privacy of your PHI. Anyone who uses your PHI in a wrong way is responsible for that.

PHI can be legally used in certain ways. A provider who is treating you can see your PHI as a part of your care and treatment.

You can decide to let people use your PHI if you think it is necessary. If you decide to let someone else use your PHI, you need to write a detailed letter stating that person is allowed to use it. A person has to have a written statement to ask for your PHI, even if that person is a spouse or a family member.

Where do I send questions?

If you have questions about HIPAA and your PHI, please contact the Aetna Better Health of Kentucky Privacy Officer, in writing. The address is:

Aetna Better Health of Kentucky
Attn: Privacy Officer
9900 Corporate Campus Dr.
Suite 1000
Louisville, KY 40223

Complaints:

If you think your PHI has been used incorrectly, you can make a complaint. The address is:

The Secretary of Health and Human
Services Room 615F
200 Independence Ave., SW
Washington, D.C. 20201

You can call the U.S. Department of Health and Human Services at **1-877-696-6775**. You can also call the United States Office of Civil Rights at **1-866-OCR-PRIV (1-866-627-7748)** or **1-866-788-4989 (TTY)**.

Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully. This notice was effective as of February 1, 2016.

What do we mean when we use the words “health information”

We use the words “health information” when we mean information that identifies you. Examples include:

- Your name
- Your date of birth
- Health care you received
- Amounts paid for your care

How we use and share your health information

Help take care of you: We may use your health information to help with your health care. We also use it to decide what services your benefits cover. We may tell you about services you can get. This could be checkups or medical tests. We may also remind you of appointments. We may share your health information with other people who give you care. This could be doctors or drug stores. If you’re no longer with our plan, with your permission, we can give your health information to your new doctor.

Family and friends: We may share your health information with someone who is helping you. They may be helping with your care or helping pay for your care. For example, if you have an accident, we may need to talk with one of these people. If you don’t want us to give out your health information, call us.

If you’re under eighteen and don’t want us to give your health information to your parents, call us. We can help in some cases if allowed by state law.

For payment: We may give your health information to others who pay for your care. Your doctor must give us a claim form that includes your health information. We may also use your health information to look at the care your doctor gives you. We can also check your use of health services.

Health care operations: We may use your health information to help us do our job. For example, we may use your health information for:

- Health promotion
- Care management
- Quality improvement
- Fraud prevention
- Disease prevention
- Legal matters

A Care Manager may work with your doctor. They may tell you about programs or places that can help you with your health problem. When you call us with questions, we need to look at your health information to give you answers.

Sharing with other businesses

We may share your health information with other businesses. We do this for the reasons we explained above. For example, you may have transportation covered in your plan. We may share your health information with them to help you get to the doctor's office. We'll tell them if you are in a motorized wheelchair, so they send a van instead of a car to pick you up.

Other reasons we might share your health information

We also may share your health information for these reasons:

- **Public safety** - To help with things like child abuse, threats to public health
- **Research** - To researchers, after care is taken to protect your information
- **Business partners** - To people that provide services to us, they promise to keep your information safe
- **Industry regulation** - To state and federal agencies, they check us to make sure we are doing a good job
- **Law enforcement** - To federal, state and local enforcement people
- **Legal actions** - To courts for a lawsuit or legal matter

Reasons that we'll need your written okay

Except for what we explained above, we'll ask for your okay before using or sharing your health information. For example, we'll get your okay:

- For marketing reasons that have nothing to do with your health plan
- Before sharing any psychotherapy notes

- For the sale of your health information
- For other reasons as required by law

You can cancel your okay at any time. To cancel your okay, write to us. We can't use or share your genetic information when we make the decision to provide you health care insurance.

What are your rights?

- You have the right to look at your health information.
- You can ask us for a copy.
- You can ask for your medical records.
- Call your doctor's office or the place where you were treated.
- You have the right to ask us to change your health information.
- You can ask us to change your health information if you think it's not right.
- If we don't agree with the change you asked for, ask us to file a written statement of disagreement.
- You have the right to get a list of people or groups that we have shared your health information with.
- You have the right to ask for a private way to be in touch with you.
- If you think the way we keep in touch with you is not private enough, call us.
- We will do our best to be in touch with you in a way that is more private.
- You have the right to ask for special care in how we use or share your health information.
- We may use or share your health information in the ways we describe in this notice.
- You can ask us not to use or share your information in these ways. This includes sharing with people involved in your health care.
- We don't have to agree but we'll think about it carefully.
- You have the right to know if your health information was shared without your okay.
- We'll tell you if we do this in a letter

Call us toll free at **1-855-300-5528 (TTY: 711)** to:

- Ask us to do any of the things above.
- Ask us for a paper copy of this notice.
- Ask us any questions about the notice.

You also have the right to send us a complaint. If you think your rights were violated, write to us at:

Aetna Better Health
Attention: Complaint and Appeal
Department 9900 Corporate Campus Dr, Ste 1000
Louisville, KY 40223

You also can file a complaint with the Department of Health and Human Services, Office of Civil Rights. Call us to get the address.

If you're unhappy and tell the Office of Civil Rights, you will not lose plan membership or health care services. We won't use your complaint against you. We'll never punish or discriminate against you or your provider or take any negative action against you because you filed any kind of appeal, State Fair Hearing, or complaint.

Protecting your information

We protect your health information with specific procedures, such as:

- Administrative. We have rules that tell us how to use your health information no matter what form it is in—written, oral, or electronic.
- Physical. Your health information is locked up and is kept in safe areas. We protect entry to our computers and buildings. This helps us to block unauthorized entry.
- Technical. Access to your health information is “role-based.” This allows only those who need to do their job and give care to you to have access.

We follow all state and federal laws for the protection of your health information.

If we change this notice

By law, we must keep your health information private. We must follow what we say in this notice.

We also have the right to change this notice. If we change this notice, the changes apply to all of your information we have or will get in the future. You can get a copy of the most recent notice on our web site at **[AetnaBetterHealth.com/Kentucky](https://www.aetna.com/betterhealth.com/Kentucky)**.

- **Hospitalizations** - Care in a hospital that requires admission as an inpatient and usually requires an overnight stay. An overnight stay for observation could be outpatient care.
- **Hospital Outpatient Care** - Care in a hospital that usually doesn't require an overnight stay.
- **Immunization** – See "Vaccine"
- **Managed Care Organization** – An insurance company that provides health services on a pre-paid basis through a network of providers
- **Medicaid** – A joint federal and state program that helps with medical costs for some people with low incomes and limited resources
- **Medically needed/medically necessary** - Services or supplies to diagnose, treat, correct, or prevent a member's illness or injury. Aetna Better Health must agree the care meets all of the following:
 - Care is correct for the symptoms, diagnosis and treatment of the condition
 - Follows standards of good medical practice
 - Not be solely for the convenience of the member, PCP, hospital, other health care provider or caregiver
 - Correct supply or level of service that can be safely and effectively provided, for members in the hospital, it also means their symptoms can't be diagnosed or treated safely outside the hospital
 - Must meet national standards, if applicable
- **Network** - A complete list of all health care providers actively participating with Aetna Better Health. The provider directory is created from this list.
- **Non-participating provider** - A doctor, hospital or other licensed facility or health care provider, who hasn't signed a contract with Aetna Better Health, to give services to members.
- **Pharmacy Benefit Manager** – An organization that is responsible for managing pharmacy services and benefits for a payer

- **Physician services** - Health care services a licensed medical physician (M.D. - Medical Doctor or D.O. - Doctor of Osteopathic Medicine) provides or coordinates.
- **Plan** - A benefit your employer, union or other group sponsor provides to you to pay for your health care services.
- **Participating provider** - A doctor, hospital or other licensed facility or health care provider, who has signed a contract with Aetna Better Health, agreeing to give services to members.
- **Preauthorization** - Your health care provider must ask Aetna Better Health to approve certain services before they give you the care. Also called prior authorization.
- **Preferred drug** - A drug that has been identified by a health plan or PBM as preferred because it is both clinically and cost effective; preferred drugs typically cost the beneficiary and health plan less than other drugs in the same therapeutic class
- **Preferred Drug List (PDL)** - A list of the preferred drugs that are covered by the health plan or PBM
- **Prescription drug coverage** - Health insurance or plan that helps pay for prescription drugs and medications.
- **Prescription drugs** - Drugs and medications that, by law, require a prescription.
- **Primary Care Provider (PCP)** - Your PCP is your medical home. The Aetna Better Health provider you select for your primary health care is your PCP. Your PCP arranges for most of the care you need. PCPs specialize in general practice, family practice, internal medicine or pediatrics. Female members age 13 or older may select an OB/GYN for their PCP to arrange for most care they need.
- **Prior Authorization** - A process to approve items or service before a plan will pay a provider; medications may require prior authorization when they are not on a Plan formulary
- **Provider** - A physician, nurse practitioner, clinical nurse specialist or physician assistant, as allowed under state law, who provides health care services to patients.
- **Rehabilitation services and devices** - Health care services that help you keep, get back, or improve skills and functioning for daily living that have been lost or impaired because you were sick, hurt or disabled.
